_____ Check out Gateway's Clubs on the Club Calendar on the Gateway Website under Students/Activities & Clubs/Club Calendar to see when and where clubs meet and what activities are available for students.

_____ The first Fandom Club meeting will be on Wednesday, October 6th from 3 to 4 PM. Students can meet in Mr. Rentko's room, 304, after school. This is an open club, so you don't need to apply; just show up for the first meeting.

_____ This Friday is a High School & Beyond day. On high school and beyond days you will report to your 1st period class in the morning as usual. Your first period teacher will go through the HS & B lesson for 45 minutes. Then after the High School and Beyond lesson, you'll stay in first period where your 1st period subject will be taught. High School and Beyond lessons cover a variety of topics including organization, social emotional learning, and Digital Citizenship.

_____ It is time to start our annual 8th grade Gateway Reads Committee! 8th grade students who join the committee will be the first to read and discuss new books in the library and help decide which ones will make our Gateway Reads list for *next* year. Interested students should fill out the Google form application on the library webpage. Just click the square tile that says, "Gateway Reads Committee." Meetings will be held the last 15 minutes of lunch each Friday in the library.
