

Good morning, Gateway! Today is Tuesday, November 22.

_____ Attention GIVE club, we will have a meeting today in the library.

_____ GIVE thanks and start collecting items to donate to our food and warm clothing drive. Donate new or gently used winter wear like coats, gloves, and hats, or bring in non-perishable food, personal care items, and pet food donations. The Winter Warmth Drive will begin December 5th and is a competition between first period classes.

_____ Also, design a mascot for the drive. Create art depicting Gary the Guardian wearing warm winter clothing. Entries are due November 28th in the library.

_____ In honor of Native American Heritage month, we honor the Muckleshoot Tribe, who inhabited the Central Puget Sound for thousands of years. The Tribe maintained a cohesive community and government structure, preserved its culture, and built its own community hall. The Tribe has also become a major contributor to the local economy and community providing resources to other governments, schools, nonprofits, and churches throughout Washington. The benefits of the Muckleshoot Tribe's economic revival go well beyond its financial contributions to the local community. From landmark agreements protecting fish and wildlife habitat, to innovative educational programming, and hundreds of partnerships with organizations serving those in need throughout the state, the Muckleshoot Tribe is contributing to the quality of life of its citizens and neighbors.

_____ What exactly is GRIT? Your teacher has an inspiring video to show you this morning about a young man who was born with half a body.

And remember, Gateway, to GUARD your character!
