

2021 SENIOR CAP & GOWN ORDERS DUE January 31, 2021

Senior year is the most memorable year in a student's educational career, it's also the year that our students make key decisions that can potentially impact their lives. With this nationwide COVID-19 pandemic we are facing lots of uncertainty, and I want to assure you that as principal it's my number one priority to be transparent with you with all the logistics regarding graduation. I am hoping that this document will help answer some questions, I also encourage you to check the JHS site often for updates.
