

# 2022 SENIOR UPDATE

It has been wonderful to have our high school students back in our building, and especially our seniors. We know this has been a different year and are so impressed with the positive attitudes, resilience, honesty, and growth. As we get closer to the big day, we will be sending out more information, but we wanted you to know some key dates now so you can make family plans. All these locations, number of guests and required protocols are subject to change based on current COVID guidelines, but we are planning for the best possible scenario.
