

Hello JHS Class of 2024 Families,

### Senior Store

[www.streamline-llc.net/jhs2024](http://www.streamline-llc.net/jhs2024)

The Class of 2024 Parent Group is pleased to announce that our Senior Store is open! We are selling yard signs, t-shirts, sweatshirts, water bottles and key chains for students AND parents. 10% of all sales will go to the Class of 2024 Parent Group which provides a safe and sober grad night celebration! Orders will be printed once a month, or quicker if sales are high. We do not have an end date on this store yet, but order ASAP.

### Grad Night Party Registration

Grad Night is a JHS tradition, sponsored by the parent group, where students are whisked away from the school by buses on graduation night. They spend the night at a safe and sober venue, or venues, in a graduation celebration with friends. \$165 early registration (goes up to \$195 in 2024).

What's included in the registration fee? Food and activities during a night spent and multiple SECRET venues, transportation to and from JHS. Students depart the school late June 15th and return to school early June 16th. Exact times will be communicated closer to the date.

Register early to reserve your spot. The more seniors we have registered, the more fun we can add to the event.

### Volunteers Needed

Donation Procurement Coordinator-we need 1-3 volunteers that are great at procuring donations like snacks, prizes/gift cards, etc.

Sponsors for entertainers, bus transport, senior gift bags, etc. Do you work for a business that would like to make a donation to help offset some costs of the event? Company logos will be included in our social media posts

Grad Party Chaperones-if you would love to be part of the actual event, we will need several chaperones for the night

### Textile Drive

For our biggest fundraiser, we are running a textile drive. We get paid by the bag weight so the more bags, the better.

Let us know if you aren't on our email list so we can get you added. (see below). Our Facebook page will have all our senior updates as we get them from the school.

**Parent Group Officers**-Laura Peterson, Katie Stark, Michelle Thomas, Aleshia Cooke-West
