With Lesley Moffat, Director of Instrumental Music, at the helm, Jackson's band performs at Everett Civic Auditorium to an enthusiastic audience

The Jackson High School band program has grown over the past 14 years to include four jazz bands, concert band, symphonic band, wind ensemble, honors wind ensemble, wind symphony, percussion ensemble, drum line and special education percussion ensemble.

"Over 250 students were part of Ms. Moffat's instrumental music program every single day last year!" said Band Booster parent Kami Kolakowski.

"Beginning this year we've had so many students wanting to take a band class, we have expanded to five concert bands," added Lesley Moffat. "I love my job and the energy it brings just revives me!"
