

2016 February 8: This past weekend was regional music competition for soloists and small ensembles. The Jackson Band students had a great showing, with 61 separate entries in various categories. Below is a list of the students who have qualified to compete at the State level in April. There are 48 Jackson Band students in State spots (39 of our students). Several students qualified in more than one category. In addition to the State qualifiers, we had several more students who earned superior ratings (I) for their performances.

The students were required to do their own music selection and practicing for this event, and they did a fantastic job!

## Jackson High School Band - STATE 2016
