November 16, 2023

Girls' volleyball started the year off with two wins before losing their first game to WESCO 3A champs Lynwood. They then proceeded to win three of the next four games. With wins against Garfield, Sequim and Mariner and a loss against Lakeside. They finished the season with wins against Arlington, Kamiak, Mariner and Kamiak and two losses against Glacier Peak and Lake Stevens. They also had a loss against Lake Washington. The girls finished the regular season in third place with a 4-4 league record and 11-9 overall record. The girls qualified for WESKING 4a District tournament where they played Bothell and beat Bothell and advanced to play a second game against Eastlake where they lost a tough match 3 sets to 0. They then had to play Kamiak with winner taking on Mount SI on the same night. The girls played an awesome first match against Kamiak defeating them 3 sets to 0 and advanced to take on Mount SI. The Mount SI match was a back-and-forth match with each team winning one set each. Mount Si jumped out to an early lead in the third set and Jackson battled back to within two before Mount SI closed out the third set. In the fourth set Mount Si jumped out to another lead and Jackson responded battling back to close the gap to within two points. The teams swapped points before our girls tired out and Mount SI closed the match out winning 3 sets to 1. The JV had a strong season finishing league play with 3 wins and 5 losses and an overall record of 10 wins and six losses. The C team also had a strong season with 2 wins and 6 losses in league play and an overall record of 8 wins and 7 losses.

Curtis Cup was a long weekend and a great opportunity to see everyone play. Jackson beat North Kitsap, LCA and Sumner on Friday. North Kitsap was a very good 2A team who usually take 2 singles and 2 double teams to state each year and it really showed. On Saturday, we played Skyline, and we had several close matches that we were not able to win. 2 of them in 3set tie breaker and one match 5 - 7, 5 - 7 so a close semifinal and Skyline went on to beat Redmond and win the Curtis Cup.

Some great matches by the guys and a great experience to see other schools play.

1st Skyline Winner of Thunderbird Group

2nd Redmond Winner of Viking Group

3rd Camas Winner of Lion Group

4th Jackson Winner of Warrior group

The tennis team started the season off the way they left off last season with a win. They then proceeded to win the next four matches before they lost to Newport. They then went on a winning streak of eight games. They finished the regular league season undefeated with 8 wins and 0 losses. They had an overall record of 13-1 and won the WESCO league title again. Henry Park, Eugene Kim, Ben Lee, Gavin Taylor, Ashton Bergman and Andy Stark all qualified for the 4A District one tournament at Glacier Peak. Ben Lee beat several players from other schools to make it to the district's finals match against teammate Henry Park. Ben beat Henry for 1st place and Henry took 2nd place with both players advancing to the state tournament in the spring. Ashton Bergman and Andy Stark took second place on the doubles side and qualified for the state tournament in the spring. Eugene Kim and Gavin Taylor took sixth in doubles and even though they did not qualify for state they helped Jackson become district champs. The JV team had a strong season and finished on top of WESCO with 6 wins and 0 losses in league play and an overall record of 9 wins and 2 losses. The remaining players on Varsity are Saurish Srivastava, Rajveer Lahankar, Arhan Singh, Will Kink, Hayden Bridgman, Anderson Tam, Bryan Chen, Amari Katagiri, Daniel Baik, Abel Kidane, Adam Bui, and Archit Goel.

May 28, 2024

This past weekend, the boy's tennis team won the state title with a score of 22 and beat the next two closest teams. All players placed in the state competition which is a great accomplishment. Ben Lee defeated an Olympia player, a Newport player, then a Moses Lake player before losing in the finals. Henry Park (12) placed 4th in state singles tennis and won against Bellarmine Prep, then lost a crazy long 3-hour match to Richland, then went on to win vs West Valley Yakima, and finish off the tourney with a win vs Newport to place 4th. In Doubles, Andy Stark (9) and Ashton Bergman (10) placed 8th in Doubles. Their first match was a great close match, then they went on to win 2 straight to help seal the deal to a state title for points. It was a great weekend for the players and families in Kennewick, and we are looking forward to the continuing success for the Boys Tennis Team in the future.

Jackson wins 7 of 12 events on way to 2nd straight 4A district title

SNOHOMISH — For the second straight year, Jackson piled up enough points to best runnerup Glacier Peak in the team standings at the Class 4A District 1 girls swim and dive championships. The Timberwolves took first in 7 of 12 events, tallying up 538 points to the Grizzlies' 493 behind a strong group effort as they reeled in their fourth district crown in the past five seasons Saturday at the Snohomish Aquatic Center. Led by returning junior Olivia Hoyla, the sophomore duo of Elissa Anderson and Julia Song, and freshman Mia Abrigo, Jackson proved its worth at the district meet once more. "We swam really well on Thursday (during prelims)," longtime Jackson coach Drew Whorley said. "One of the cool things about that is it gives you the confidence that you'll be able to come in and in the face of some anxiety during the championship season, to be able to repeat it on Saturday. "It also puts you in a bit of a position where people can come get you. I think it really says a lot about our kids today, having the number of top seeds that we had coming into the meet, they did come and back it up for the most part." Hoyla collected individual first-place medals in the 100-yard backstroke and the 200 individual medley, racing the 100 backstroke in 58.67 seconds and the 200 IM in 2:08.0. Hoyla also helped the Timberwolves toward first-place finishes in both the 200 freestyle relay (1:40.54) and the 400 freestyle relay (3:39.38) along with Song, Anderson and senior Celina Hernandez-Murillo. "She just finds that gear and she's got that will," Whorley said. "She's just one of those kids that can put her hand on the wall before other people, she's a big time swimmer." Anderson broke the 25-second mark in the 50 freestyle, finishing in 24.89 seconds to edge past GP freshman Megan Maley (25.28). "Getting under 25 is a big barrier for all those kids, it's a big swim for her," Whorley said. "She's worked really hard and she was skimming across the water today. She looked good." In addition, Song won the 100 freestyle at 53.98 seconds and 1.65 seconds faster than second-place teammate Hernandez-Murillo. Abrigo posted a time of 1:11.73 to win the 100 breaststroke.

"I'm really excited, and I'm still trying to process everything that happened today," Whorley said. "Coming into this meet, we had only one swimmer who made the state cut. Now, we're going in with two relays and at least six individual swims, and I'm optimistic we'll get some wild-card swims. So, things could line up nicely for us as far as the number of swims we'll get to watch at state."

Football started off the season building team chemistry as they began with two tough losses to Mountlake Terrance and Juanita. Throughout both games the team kept fighting and put together some good drives. During their third game against district rival Everett, they were leading through the first half and had a back and forth second half that had Everett kicking a field goal with less than three minutes in the game for the go-ahead points. After the tough loss to Everett, the team had to regroup and had to play another district rival Cascade. This time they beat their cross-town rivals for the first time in several seasons. The team finished the season with two more wins against division rival Mariner and against KINGCO school Redmond. After the Redmond game the team found out that they had to play a Kansas Tiebreaker against two other teams Mariner and Kamiak for the right to advance to the playoffs. The Kansas Tiebreaker took place on Saturday October 28th after all three schools had played on Friday. The Kansas Tiebreaker gives both teams the opportunity to score starting at the 25-yard line. If the score remains tied a second series will happen. Unfortunately, we lost the tiebreaker to Mariner, and they lost to Kamiak. Jackson finished with a 1-5 record in league play and an overall record of 3-8. This year the team grit and determination showed, and they will have a lot of core players returning for hopefully a strong season next year.

Traditionally, the C-Team focuses on building the Jackson team culture bringing together athletes from both Gateway and Heatherwood middle schools. Our primary goal is developing the skills necessary to succeed on the field and in the classroom. The strength of this year's team was their leadership. The captains took the lead in building accountability by holding players-only meetings and post-practice review sessions to ensure everyone was up to speed on the play-book. Injuries and absences led to depth issues throughout the season, but the team was able to secure victories against both Everett and Cascade high school. In addition, the C-Team became the first football team in school history to be recognized by the WIAA for academics, earning the Distinguished Team Award with a 3.11 Team GPA. The coaches are looking forward to seeing several C-Team players compete for varsity starting positions next year.

Thank you to all the fans who came out to support the Girl's soccer team last night in their first regional game against North Creek at Everett Memorial, it was an amazing game. After regulation, and a 0-0 tie, the game went into overtime, and then double overtime, when Tia Schwetz, with under a minute to go, dribbled down the sideline, beating several players to put a cross into the box connecting with Amelia Ford who scored the game winning goal. Goalkeeper Sophia Harper had save after save, in another outstanding performance, getting the shutout, and helping to secure the double overtime 1-0 victory. With one more win, in their game against Lake Stevens this Tuesday, the team would qualify to move onto the State Tournament! Great job!

JHS Girls Varsity Soccer team started the preseason with 3 strong wins, 1 loss, and 2 ties. They used the preseason to build team chemistry. The girls started out their WESCO league season with two tough losses to eventual CO-WESCO Champs Kamiak and Lake Stevens. They rebounded with two wins against Mariner (who they beat both games this season) and Federal Way and then a loss against Kentridge. They beat Glacier Peak twice and then lost to Kamiak and Lake Stevens. They placed Third in WESCO with a record of 4 wins and 4 losses and an overall season record of 9 wins, 7 Losses, 2 ties.

Jackson Girls Varsity Soccer team qualified for the WESKING District tournament. Their first playoff game was against a North Creek team that had beaten Jackson 4-2 during the Preseason. Jackson responded by upsetting North Creek 1-0 in double sudden death overtime. The next playoff game was against WESCO division rival Lake Stevens. This was an intense game where both teams scored one goal in regulation and then went into sudden death overtime where Jackson lost 2-1. Overall, this season was very positive. The Varsity team is a young team with 8 Sophomores and 1 Freshman. The girls worked hard and the core of the team that made it to the playoffs will be returning next year.

Jackson Girls JV team had an outstanding season as well. The players worked very hard to develop a strong JV team. The JV team finished the season with a 3-2-1 league record and an overall record of 10-3-2. These players will compete to vie for spots on Varsity next season. The JVC team also had a great season and all the girls jelled well with their new coach. They competed this season not only against other JVC teams but also against several JV teams. Even so, they finished with a perfect league record and had only two losses. Both of those losses came against JV teams. This team proved they could compete at the JV level this season and several of their players played games with our JV team and helped contribute to the JV teams' wins.

Jackson Baseball finished the season with a 15-7 record. They ended the regular season tied for first place in the Wesco 4A conference. During the season Jackson went on a 10 game winning streak with huge late inning wins over Snohomish HS and Everett HS. Drew Pepin was a leader on the mound for Jackson this year throwing 42 innings and posting a 2.15 ERA. Brothers Chase Halvorson and Austin Halvorson also had great years on the mound. The offensive attack was led by Sean Bang, Bryan Ho and Ashton Bergman. Unfortunately the Wolfpack's season ended with a loss to Woodinville HS in the bi-district Wes-King tournament. Jackson is graduating eight seniors this year and is looking forward to a great season next year.

Judi Montgomery says good-bye after 30 years as the Jackson High School girls' tennis coach. Mrs. Montgomery has been the only girl's tennis coach since Jackson opened in 1994 and has coached over 1,400 girls during her tenure. According to Coach Montgomery, it has been a fantastic journey and the 2024 season has been as enjoyable as the previous 29.

The 2024 Jackson team consisted of 40 players from all grade levels: 8 freshmen, 19 sophomores, 9 juniors and 4 seniors. Led by senior varsity captain, Isha Handa, the team had an outstanding season finishing with a 12-4 overall record. The varsity roster included seniors Isha Handa, Cheri Heng and Katie Shen; juniors Nidhi Krishna, Solhei Lee, Samiksha Rao, Elise Sugawara and Jasmine Wijaya; sophomores Mariia Andreeva, Arushi Dashore, Katie Kim, Amber Liau, Gracie Schouten and Sreshta Sundar Ganesh. The JV team coached by Ryan Simmons was represented by 26 student-athletes, many of whom were playing tennis for the first time. They had a successful season and made excellent progress as the season developed. Varsity will lose 3 graduating seniors this year, providing an excellent opportunity for JV players who work hard in the off season to fill those vacancies.

The Jackson varsity team is sending six outstanding athletes to the 4A District Tournament at Glacier Peak High School on May 14-15. Representing Jackson in singles will be Jackson's #1 singles player and two-time (2022 & 2023) 4A District doubles champion, Isha Handa, and sophomore singles player Katie Kim. Representing Jackson in doubles will be 2023 4A District doubles champion, Gracie Schouten and JHS #2 singles player and 2023 District doubles participant, Jasmine Wijaya. Joining Gracie and Jasmine in doubles is junior Solhei Lee and sophomore Sreshta Sundar Ganesh. Jackson hopes to capture the 4A District title again this year and represent Wesco 4A at the State Tennis Tournament in Kennewick over Memorial Day weekend.
