This past weekend, regional music Solo & Ensemble Contest was held at Cascade HS. Jackson High School had 66 separate performances for band students, ranging from solo performances to ensembles of up to 16 members. As you can see from the list below, we have quite a few kiddos who qualified for STATE! Several of the students qualified in one or more categories. Of the Jackson band students participating, there were 129 student “spots”, with 73 earning ratings of 1 (superior), 54 earning 2s (excellent) and two earning 3s (good).

Students who participated in this competition were responsible for selecting their own groups, picking their repertoire, and preparing their music before performing in front of adjudicators on Saturday. In order to qualify for State, they had to earn a score of a 1 (superior) *and* be the “highest” 1 score in their category. This is a record number of band students qualifying for State. If you have any of these awesome kiddos in class, be sure to congratulate them.
