

## June 2019

Brenna Board

Brenna Board received a Varsity Letter all three years that she participated on the JHS Girls Track and Field Team.

Her hard work, dedication and results were all outstanding. This past season she ended up making the JHS top 10 list in all her throwing events (#4 in the Javelin, #2 in the Shot Put and #1 in the Discus).

She threw both and Javelin (placing 13<sup>th</sup>) and Discus (placing 3<sup>rd</sup>) at the State Meet and she will be throwing at Central Washington University on scholarship starting this fall.

More impressive, however, is Brenna's leadership skills and example that she has been to her teammates both on and off the athletic field.

Brenna completed her third and final season in Track and Field at Jackson in style. She was the high-point winner for the girls team, set the Senior Class and School records in the discus and qualified for State in both the discus and javelin. Her third place finish at State in the discus is the highest placing Jackson girl at State in the 25 year school history! Her hard work and dedication as a student athlete along with her accomplishments this season earned her a Track and Field scholarship to Central Washington University. Track and Field scholarships at any college level are very difficult to earn which further exemplifies the outstanding person that Brenna has become. Congratulations on a great Jackson career and we wish you continued success at the next level.
