JHS HOSA (future medical professionals club) did really well at our State Leadership Competition in Spokane. We took 23 students to State and they competed and attended leadership workshops! We had a great time.

Ethan Thong won and is now VP of our Region for next year! (He wasn't there to accept the nomination so he isn't in our pictures because he was busy qualifying for State in band!)

Ethan Thong- 4th place in Medical Terminology

Ethan Thong- 5th place in Medical Math

Carrie Nelson- 1st place in Medical Law & Ethics

Carrie Nelson- 3rd place in Medical Assisting

Carrie Nelson- 5th place in Extemporaneous Health Poster

Eric Nguyen- 5th place in Pharmacology

Emily Kunz- 3rd place in Prepared Speaking

Katie Ferguson, Manasvini Tanikella, & Kylie Byrd- 2nd place in Public Health

They qualified for Internationals in Orlando in June! We are still waiting to hear about students who placed 5th -10th. Last year we had several students!

Thanks for all of your support of JHS HOSA!
