

Jackson Boys Tennis has ended the season with a 16 wins – 0 lost record. This extends a winning streak to 50 matches in a row. That covers more than 3 years. The boys have a few more years to go if they expect to catch the 98 match winning streak from a few years back.

The JV team finished the season with a 14 wins – 0 lost record. Congratulations on a great season.

Next week the District tournament will start and will be played at Glacier Peak High School starting on Tuesday.
