

OCTOBER 29, 2023

PNW Block Party was awesome! This 2-day robotics competition hosted at JHS by FRC 2910 featured 26 teams from around the PNW and 33 awesome robots. All three EPS high schools advanced to the semi-finals and FRC 2910 Jack in the Bot won the event as captains of Alliance 1. Jackson's second drive team worked with Cascade's Otter Chaos as part of Alliance 2. Cast Iron Orcas from Everett High School captained Alliance 5. It was an outstanding weekend with a strong showing for Everett robotics teams!
