

Robotics October 2019

The FIRST Robotics team at Henry M Jackson high school won their final event of the 2019 competition season at an event Girls Generation hosted at Tahoma High School. Competing against 38 teams The JHS drive team Katie Hagman, Alexa Bublitz, Aspen Perry, Alba Raya and drive coach Athina Ebert. This final win last weekend makes the JHS team 2910 Jack In The Bot undefeated in Pacific Northwest Event Play during the 2019 season. The girls did an outstanding job competing at the event serving up some impressive stats in offensive play. They were pros! Meeting every challenge on the field with determination, focus and grace. They represented JHS with Gracious Professionalism and determination please congratulate these team members they did an excellent job representing Jackson High School
