

April 2025

JHS's own First Robotics Team 2910, Jack In The Bot, has won the world championship in Houston Texas! There is no fanfare or congratulations enough to celebrate the incredible efforts and sacrifices from the students, as well as the advisors, mentors, boosters, and everyone else involved. Now was this a single year's effort—it is the culmination of many years of hard work and dedication. CONGRATULATIONS ROBOTICS TEAM-- WORLD CHAMPIONS!
