

## Rotary Student of the Month of March: Leadership -- Christian Flynn

Christian Flynn is one of the wisest, strongest, humble, and most reliable student leaders at Jackson. He has been a part of the ASB for two years, leading many activities throughout the year as well as serving on the Student Advocacy Committee as the liaison to ASB. Recognizing that our ASB did not fully represent the demographics of our school, a committee was formed of students of color to let their voices be heard. Christian served on that committee as the liaison to ASB. During the year of virtual learning, he was instrumental in putting together monthly videos for students celebrating different cultures, our LGBTQ+ population, concerns about Asian and open conversations about student mental health during the pandemic. He has been a member of the track team for four years and his academics and leadership will result in a successful upcoming experience in college.
