

Boys Tennis finished the state tournament with a 2nd place finish.

In Singles, Brady Thomas beat players from Gonzaga Prep and Skyline to get the finals for state singles. In the finals, Brady placed 2nd in singles.

In Doubles, Anuj Vimawala and Daniel Sohn won the state title in doubles this year. This is the first state champion in doubles for Jackson boys. The boys doubles won the state title without losing a set during the tourney. Congratulations to them!

Softball won state for the second straight year this past weekend. It is hard enough to win state once, but to go back-to-back shows exactly how great this team really has been. It was especially nice to beat a WESCO team for the title again this year, dominating Lake Stevens 16-2 for the championship. Awesome job, ladies!!

Boys Soccer also had a ton of success this weekend, finishing 3rd in State, defeating Ferris in penalty kicks to get the 3rd place finish, which is the best in the history of Jackson Boys Soccer! What an absolutely amazing season!!
