

April 2023

Jackson High School is proud to select Sylas Williams as the Rotary Student of the Month for Athletic Excellence. Sylas has been a three-year starter on our basketball team. He distinguished himself by scoring 1000 points and grabbing 500 rebounds in his career, and he only had 2.5 years to accomplish this, as opposed to 3 or 4 full seasons like some others. He was All Wesco and All Area first team his junior and senior seasons, Co MVP of Wesco 4A and Everett Herald player of year this season. His coach said that what makes Sylas special and unique are his humility and the kindness and respect he shows to others around him. There's no pretense nor "attitude" that sometimes comes with such accomplished athletes. Finally, Sylas is truly a scholar athlete, maintaining a high GPA during his four years at Jackson. Congratulations to Sylas Williams!
