

Spring 2024

Boy's tennis won the state title with a score of 22 and beat the next two closest teams Camas 19, and Newport 19. All players placed in state competition which is a great accomplishment.

Ben Lee (11) played for the state singles title and lost to a player from Skyline who will be playing D1 college tennis. Ben defeated an Olympia player 6-1,6-0, then Newport player 6-2,6-2, then a Moses Lake player 6-2,6-0 before losing in the finals.

Henry Park (12) placed 4th in state singles tennis and won 6-0, 6-0 to Bellarmine Prep, then lost a crazy long 3-hour match to Richland 5-7,4-6, then went on to win 6-1,6-1 vs West Valley Yakima, and finish off the tourney with a win 6-4,6-1 vs Newport to placed 4th.

In Doubles,

Andy Stark (9) and Ashton Bergman (10) placed 8th in Doubles. Their first match was a great close match they lost 5-7,7-5,5-7 to Bellarmine Prep who played in the finals, then they went on to win 2 straight to help seal the deal to a state title for points. Wins vs Sumner 6-2,6-4, win vs. West Valley Yakima 7-6, 6-2, then finally a lost to Newport 4-6,4-6 close one but placed to give us enough points to win it all.

Great weekend for the players and families in Kennewick, WA and look forward to continuing success for the Boys Tennis Team in the future.
