

March 2024

This weekend, the JHS KEY Club attended our annual District Convention (DCON) for the PNW District in Portland. Our district consists of over 11,000 members in 280+ clubs spanning Alaska, British Columbia, Washington, Oregon, Northern California and Idaho. This was an opportunity for students to learn and showcase leadership skills and a desire for service. I am happy to announce that our JHS KEY Club cleaned house with our awards, receiving more than any other school in the district. We received the following awards:

- 1- Best Traditional Scrapbook
- 2- Best Non-Traditional Scrapbook
- 3- Best Club Poster
- 4- Outstanding Webmaster
- 5- Outstanding Bulletin Editor
- 6- Platinum District Project Service Award- We have over 5000 volunteer hours as a club this year!
- 7- Best Club Website

If you see any Key Clubbers around (we have over 300!) please congratulate them on another fantastic year!
