

**School Reading**

The Everett Public Schools summer reading program features free choice. To help find and select great titles, our middle school libraries are pleased to recommend a list of books for summer reading. Please click on the Sno-Isle logo below for a direct link that includes title summaries and age considerations.

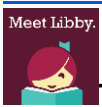

Recommended books are available in print, audio, and eBook formats through the public library.

Click on the Sno-Isle logo to view the book list and check out directly from the public library

**Need a Library Card?** Click the image to get a free card instantly.

**Try the Libby App to read on your mobile device.** Click the image for a video tutorial.

Visit your local public library to learn more about their summer reading programs.
