EVERETT PUBLIC SCHOOLS

April 11, 2023

I hope our students are \_\_\_\_\_  
when they graduate and are in their  
20's.

A meta-analysis was conducted to synthesize the quantitative literature about the relationship between parental involvement and students' academic achievement. The findings reveal a small to moderate, and practically meaningful, relationship between parental involvement and academic achievement. Through moderator analysis, it was revealed that parental aspiration/expectation for children's education achievement has the strongest relationship...

**We respectfully acknowledge that we are on the traditional lands of the Coast Salish, Snohomish and Tulalip Peoples, as we begin to heal. Everett Public Schools is committed to improving the relationship and identifying indigenous people, exploring our true selves. We express our deepest respect and gratitude to the ancestors of this land. We strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff and community.**
