March 2020

Reading/ Writing

Unit 5 – Invaders

Big Question – When do harmless things become harmful?

Writing: Opinion, Informational, and Narrative

Science

Land and Water

Big Idea: Earth materials have unique properties and are part of living and nonliving systems. Humans interact with natural elements to affect changes in the landscape.

Math

Measurement Units and Conversions

Solving Measurement Problems

Social Studies

How does geography shape how we live?
How do political and economic decisions impact our environment and quality of life?
Economy, trade, and sustainability.

Specials:

Monday: Music
Tues. - Library (Don't forget your book!)
Wed. - PE (wear tennis shoes)
Thurs. - Music
Friday - Library

F.Y.I.

Our annual Basket Raffle and Ice Cream Social fundraiser is almost here! We need everyone's help and generosity to make this event a success. For our families who are new to our building this year, this is our biggest fundraising event of the year and it's a lot of fun. The money raised from this event goes toward the PTA fund for school events, educational assemblies, teacher grants, and extracurricular activities. The PTA is hoping to raise \$5,000 this year.

Here's how you can support this event and our students. Every classroom is asked to donate a basket to be raffled off. The students voted and it was decided that we want to donate a glow basket. We need donations of glow in the dark items such as, but not limited to; glow glasses, glow necklaces, glow bracelets, glow in the dark stickers, etc. Get creative and have fun shopping!

We also need a family to donate a basket for us to place our glow items in. Please let me know if you are willing to donate one. Thank you in advance for your generosity and support!

Wishlist:

A basket for our class donations.

Glow items for our basket.

Upcoming Events
