F.Y.I.

It's conference time! I am looking forward to sitting down with each of you and discussing your child's progress in 4th grade. There is a lot of hard work to celebrate. If you have any questions or concerns, please be sure to write them down to ask at the conference.

If you would like any other staff member(s) to attend our conference (i.e. the counselor, the behavior interventionist, the principal, or vice principal, etc.), please let me know ASAP and I will invite them. If they are available, they will join us. If they are not available, I can pass along any questions or concerns you have for them and they will contact you when they are available.

Please try your best to make our scheduled conference time. The schedule is tight with a large group of students and different needs for some students. With that being said, if an emergency or something unexpected happens, please notify me as soon as possible that you will not be able to attend. I will make every possible effort to reschedule a better time. If you are unsure of your scheduled conference time, please look in your child's planner or email me. Thank you in advance for understanding.

I am looking forward to seeing you next week. Thank you for all your support from home.
