Happy Fall! With fall comes cooler temperatures and usually for our area, lots of rain. Remember to send your child to school with a jacket, even if we've had some sunny days. Sometimes the weather can change without much notice. We try to send the students outside to play for recess even if it's raining, so please try to double check they have a jacket before leaving home.

I have been sending home weekly reflections on Fridays for the past three weeks. I hope you have found this paper easy to understand how your child is progressing so far in 4th grade. I want to remind you that if your child has incomplete assignments, it means they had homework at least one day that week, possibly more. The only homework (besides reading for 20 minutes) is unfinished classwork. Classwork is considered complete when the whole assignment is correct. Therefore, if your child has a problem that needs correction, it will be considered incomplete until that question has been correctly answered.

I always encourage parents/older siblings/guardians to assist students with their homework, I just ask that the 4th grade student is the one who is writing the answers. Thank you for understanding.

One last note, I am having a difficult time changing the greeting on my phone's voice mail, so it still has the previous teacher's (Stacy Gay's) greeting. It is my voice mail even though it has the incorrect greeting. Please feel free to leave a message. Thank you. Have a wonderful October!
