Parents: Get Set Up for Success!

Everett Public School Parent Resources can be found at:

<https://www.everettsd.org/domain/4103>

Fill out and submit required forms

Available in your Open House Packet and on our school website.

- All families must sign and return the blue student rights and responsibilities forms
- Complete the Free or Reduced Lunch application online to receive a free or reduced cost meal, even during virtual learning: <https://www.everettsd.org/Page/4830> Paper copies are available in the front office
- Complete the Housing Questionnaire if you are currently in transitional or temporary housing so we can get support to the right places.

Download the Canvas Parents to App to support your student

This app will provide you with all kinds of information about your student's classes.

- Assignments
- Calendar of assignments
- Information to help them complete assignments
- Teacher contact information

Download the Everett Public School App to stay Connected

This app will provide you with all kinds of information about your student(s), their school(s), and the district.

- Review student attendance and grades
- Check the school and district social media accounts (Facebook, Instagram and Twitter)
- Check the district information, such as lunch programs and athletics updates

Create a Learning Space

Set up your student's place to learn from during the day while in Virtual School.

- Find a place that has the least distractions with a table or hard surface to place all student items.
- Make sure you have all necessary books and supplies close by for activities and assignments.
- Make sure your internet works well in that location or that you have requested an internet connectivity hotspot if you are currently without one.
- If your student will Zoom, and wants to have their camera on, think about what people will see in the background.

Students: Get Set Up for Success!

Hey Students!

We are super excited to start school with you on September 9th at 8:35 a.m. Your teacher will send you a Zoom Link to kick off your very first day with your classmates! In the meantime, please complete this checklist to make your first day super successful!

Step #1: Turn on your Chromebook and Log in!

To make sure you are ready for the first day, make sure your device is working properly.

- Turn it On
- Connect it to your home WIFI
- Log In

Step #2: Check out our school website! www.Everettsd.org/madisones

We will communicate all announcements and links here.

- Do you see the Madison Husky logo on the main page? If so, you are in the right place!

Step #3: Make sure to check out the Digital Tools

Click on the "Students" tab at the top of our website. You will need to log into different digital tools through the school website to complete some learning. Check out these tools:

- Canvas
- I-Ready
- Imagine Learning

Step #4: Create a Learning Space

Talk to your family about making place to learn from during the day while in Virtual School.

- Find a place that has the least distractions with a table or hard surface to place your stuff.
- Make sure you have all your books and supplies close by for activities and assignments.
- Make sure your internet works well in that location.
- If you Zoom, and are wanting to have your camera on, think about what people will see in the background.
