Weekly Learning Overview

IMPORTANT: MAKE SURE YOU ARE DOING ALL OF YOUR I-READY MINUTES (40 MINUTES READING AND 40 MINUTES MATH THIS WEEK AND NEXT WEEK. THIS WILL HELP YOU PREPARE FOR THE I-READY DIAGNOSTIC TEST YOU WILL BE TAKING THE FIRST WEEK OF JUNE.

Welcome to another fabulous week of learning in 2nd grade! On the next slide, you will see your learning board for this week. Everything you need for your daily learning is linked on the board. **Please make sure and watch any videos posted BEFORE beginning an assignment.**

PLEASE DO NOT REQUEST ACCESS TO ANYTHING POSTED. The district has set it up so that the only way to have access is to first log into your student account before clicking on any links on the learning board. Parents do **not** have their own access. Requesting access when not logged in as a student floods teacher email boxes with requests from multiple classes and assignments

Your **must-do** assignments for the week are listed here. Make sure you go to your Google Classroom to complete the assignments and turn them in by Friday so your teacher can give you feedback!

- ❑ Watch [this video](#) on how to access your Reach book and other resources on myNGConnect from home!
- ❑ Word Work: **TURN IN**
- ❑ Math: We are starting a new unit in math: Geometry! **This week, you will only need to TURN IN Math Task 1.**
- ❑ Science: Mystery Science! Head over to your Google Classroom to watch the video, try the activity at home, and answer the questions in the Google Form attached to your assignment. **Be sure to still click "TURN IN"** on the assignment page when you are done, even though the form will already have submitted your answers! (This will tell Google Classroom that your work is done and not mark it as missing!)
- ❑ iReady Math and Reading: 45 minutes per week each

Learning Board May 18th-May 21st
