CASCADE HIGH SCHOOL NEWSLETTER

June 2019

VOLUME 2, ISSUE 10

From the Principal

Dear Cascade Families,

This is such a joyful time of year. Our seniors are getting ready to graduate and move on to college, apprenticeships, military service, and the workforce. Some will be traveling first, others will be staying close to home, but they are all headed for new adventures. I am excited for the seniors. I have enjoyed this class over the last four years and I look forward to hearing about the new chapters in their lives.

Our eighth graders, soon to be ninth graders at Cascade, are also experiencing an exciting transition as they prepare to become high school students. Our current ninth, tenth, and eleventh grade students are also going through transitions as they move closer to adulthood.

On a personal note, I am also going through a transition this summer. I will no longer be serving as principal of Cascade High School, a place I have found true joy in serving for the past twelve years. I will continue to serve in our school district as Director of College and Career Readiness and On-time Graduation. I am excited about my new role and the opportunity to serve students and families throughout our school district, yet I still feel sadness at leaving my direct role in this amazing school community.

I am so very grateful for the opportunity to work with the students, family, and staff members at Cascade High School over these last 12 years. You have given me much joy and I have learned more from you than I could have ever imagined. Thank you for your incredible support of our students and our school.

Please join me in welcoming Michael Takayoshi as the principal at Cascade and his new administrative team. He is fortunate to have Jessica Easthope continuing at Cascade and joining this team will be Megan Clause and Michael Washington. I am excited for the future of Cascade High School under their leadership.

In the meantime, please enjoy these last few weeks of the school year and your summer.

All my best,

My best regards,

A handwritten signature in black ink, appearing to read "Cathy Woods".

Last Day of School – Full Day

CASCADE HIGH SCHOOL

Associated Student Body

Greetings Bruin Families!

This is it! We have reached the finish line. Months of hard work and fun events are now coming to a close. As we prepare to give our seniors their last farewell and to celebrate the moving up our underclassmen, it's important to reflect on what we have done. During the month of May, we had a few notable events to help round out the school year.

May is always tense because this is the month where students participate in SBA and AP testing. In efforts to alleviate some stress, we helped put on events that aimed to nurture the creativity of our students. Cascade hosted its very first Night of the Arts where all students could showcase the different artwork they produce throughout the year. This event featured art in many forms including ceramics (to the right), visual art, dancing, and even music production. Our students were able to be recognized for their great creativity and artistic ability. We also hosted our very first 'Bob Ross Painting' Event. In this event, students were able to work together to make their very own artistic masterpiece while following a Bob Ross painting tutorial.

It has been such a joy of mine to serve my peers and the Bruin community as ASB President. Through these monthly letters, I was able to help spread the word about some of our school wide events and celebrate all the successes of our student body. I hope you enjoyed reading these throughout the year as much as I enjoyed writing them. As we head into June and inch closer to the end of the school year, always remember, ***'Bruins are Better Together!'***

Joe Hofman
ASB President

Deca Takes on Nationals

all A4

Cascade Sr. High School took four students to the DECA International Career Development Conference in Orlando, Florida.

Senior Mitchell Morris completed in Quick Serve Restaurant Management Role Play. The team of Juniors Brandon Valencia and Briana Saiz competed in School-Based Enterprise Retail Operations, and Senior Sabrina Reily competed the event of School-Based Enterprise Food Operations.

All of the students performed at the highest level and represented themselves, Cascade Sr. High School and the Everett Public Schools with pride. Sabrina place in the Top 10 Internationally.

German Immersion Camp

Ten advanced German students from Cascade (and one from Jackson) attended Immersion Camp in March. Students participated in a variety of activities including singing, competitions, creating skits, folk dancing, playing volleyball and other games. The entire weekend was conducted in German, so it gave students a great opportunity to gain proficiency in the spoken language.

The following students are pictured from left to right: Scott

Ingram, Daniel Aust, Mr. Antley (Woodinville H.S. teacher, who acted as one of our chaperones), Frau Lockwood, Noah Robertson, Duncan Atkinson, Ariel Rogers, Jaxon Roberts with Michael Glover on his back, Jordan Weller, Lauryn Geigle and Belle Banks (JHS).

Walk Through History

Cascade High School English teacher Jennifer Himstedt and Library-Media Specialist, Amalia Pimenta would like to thank The Norcliffe Foundation for a generous grant that supported their literary field trip to Seattle on May 22nd. Funding was also provided by the Wing Luke Museum and the NAAM (Northwest African American Museum). Himstedt's EVCC English students were able to "walk through history" in the International District of Seattle, enjoy a family-style Chinese lunch at the House of Hong and tour the NAAM in the afternoon. This experience,

coupled with their year-long study of culturally rich novels like, *Purple Hibiscus*, *Joy Luck Club*, *How it Went Down* and *Hotel on the*

Corner of Bitter and Sweet fostered thoughtful discussion, written expression, and oral presentations whereby students communicated their ideas about social justice, diversity, and racial equity. The unit included two virtual author visits with Kekla Magoon and Jamie Ford. We would also like to thank Jen Russell for chaperoning our field trip and assisting with all tech details for the author visits.

Artwork by CHS alum, Megan Carnahan

Summer is the time for **READING!** Don't let your mad skills slide!

This summer is all about **FREE CHOICE** reading.

Check the [Summer Reading link](#) on the [CHS Library website](#) for more information.

Use the quick and easy [Summer Reading Googleform](#) to track and document your reading for **PRIZES** and **RECOGNITION**.

Lost and Found!

Have you lost a coat, cloths, or backpack?
Check in the bin outside the Career Center.

If you lost glasses, jewelry, phones or anything of value...check at the Treasurer's Office

When does school end this year?

June 21 will be the last day of school and it is a full day with a regular dismissal time.

Reminder: Friday, June 7, students will be released 2.5 hours early and Friday, June 14, students will be released 75 minutes early.

SBA scores are coming soon

Smarter Balanced Assessment (SBA) scores will be available for all families and students this summer in the online Home Access Center (HAC). Families will also receive a hard copy in September. Find tools for parents to understand those SBA scores on the [district assessment website](#).

How do I get the test scores?

[Instructions are online](#). If you don't have an account or have questions, contact LMS@everettsd.org.

Stuff the Bus is coming!

With the support of our generous community, the Everett Public Schools Foundation is hosting its 10th annual Stuff the Bus for Kids school supply drive. Last year the Foundation delivered over 1,900 backpacks to students. This year they have requests for over 1,800 backpacks filled with school supplies. Look for collection bins at local businesses during the month of August and look for big yellow Durham school buses parked outside Fred Meyer in Mill Creek and QFC on Evergreen Way Aug. 16-18.

URGENT NEED: The Foundation needs 700 high school backpacks. To purchase and donate a backpack and other preassembled schools supply kits, they have partnered with [Supply All Kids](#), or you can contact Kirsten Hansen at khansen@everettsd.org.

Vaccinations for next year

Now is the time to plan for the vaccinations your child will need before he or she enrolls next fall. We encourage you to obtain these vaccinations this school year and report them to the school nurse or office staff at your child's school. We'll track that information in the school database, which will help you avoid getting calls and overdue letters in the fall.

Do you have a personal exemption for Measles, Mumps and Rubella (MMR)? That exemption may not be valid for next school year due to a new state law. Learn more on the [Washington State Department of Health's website](#).

Summer school registration is open!

[Registration materials are now online](#). Summer programs for high school students include opportunities to strengthen the skills and knowledge required for the district core expectations, repeat courses, extend their interests in academic areas, and take new courses. Tuition-based summer programs are offered for students through Online High School and at Cascade High School. Elementary and middle school summer programs are available for specific students who need academic support.

Summer Reading Program

Everett Public Schools looks forward to another successful year of its summer reading program. We are partnering with Everett Public Library and Sno-Isle Libraries again this year. Watch your school's website for details about this summer's reading program. Students will receive incentives for reaching their reading goals, and schools that have at least 75 percent of their students reach their reading goals will be recognized by the district.

School supply lists

Looking to get a jump start on next year's school supplies this summer? You can find the school supply list on your school's website under *Our School* around the last week of school.

Summer meals

Did you know that many children qualify to receive free summer meals thanks to a federal grant? Summer meals are available July 8 through Aug. 15 at select locations and times. Find more details on the [Food and Nutrition Department website](#).

Change to assessment requirements

The Washington State Legislature recently passed a bill creating multiple ways to meet required graduation assessments. School districts are required to administer the Smarter Balanced Assessment in both mathematics and English language arts to all 10th graders. Passing each of these assessments is the first "pathway" among a set of multiple pathways to graduate. Students identify their pathway in their High School and Beyond Plan. Students in the class of 2021 and beyond must still earn 24 credits to obtain a high school diploma.

For a complete list of graduation assessment requirement options, please visit the district [graduation website](#) under the *Students* tab.
