CASCADE HIGH SCHOOL NEWSLETTER

March 2019

VOLUME 2, ISSUE 7

From the Principal

Dear Cascade Families,

I want to focus this month on the school-wide expectation of Engagement from our PRIDE expectations. In March, students in grades eight through eleven will pre-register for classes for the 2019-2020 school year. It is a time when student engagement as well as family engagement is as important as ever to ensure student success now and in the future. Our students have High School and Beyond Plans in [Naviance](#). If you don't already know how to access your students' Naviance, have them show you. It's a great way to talk about their plans for college, career, and life readiness as they move toward graduation from Cascade. The courses they select for next year should move them toward their goals for the future. The [course catalog for the 2019-2020 school year](#) is also online. Please take some time to review this with your student.

To learn more about offerings for next year and how these can move your student toward their goals, please attend our Spring Open House on March 6. You will see details about this informative and interactive event elsewhere in this newsletter. Teachers will be available to talk with you about programs and options for students for next year's classes. This month, students will be meeting with their counselors and

registering for classes. I strongly encourage each student to take at least one class that stretches them, and Advanced Placement class, a College in the High School class, or another class that will require hard work and deep thinking, aligns with their interests, and moves them forward toward their goals.

I've often said that the four years a student spends in high school, though short compared to their entire lifespan, are critical years. The decisions made during these years can have a lifelong impact. At Cascade, we want to ensure that the 720 instructional days students have with us establish a strong foundation for their future. Our goal is that our students graduate ready for career, college, and to make a positive impact in their community. We can best do this by working closely together with families.

Please do not hesitate to contact me, another administrator, or your student's counselor if you have any questions about the registration process for next year.

Sincerely,

Principal, Cascade High School

Associated Student Body

Dear Bruin Families,

As you may have noticed, we had a very snow-filled start to the second semester! The many snow days we had this month may have set our scheduled events back a bit, but despite this, we had a very productive February.

This month, our Winter sports wrapped up their seasons. Many athletes made post-season appearances and two students took state titles! Paris Smith won the individual 4A State title in Bowling and Henry Nguyen won in swimming. Our Cheer team also made an appearance at the National level at JAMZ Nationals in Las Vegas.

On March 20th, Cascade is hosting its first-ever 'Culture Night'. We are very privileged to have such a diverse community at CHS, and this event aims to showcase and celebrate the cultures present within our student body. This event will include food, dancing, and other presentations of cultural traditions. We encourage all families to attend; this will definitely be a night to remember!

ASB Elections are soon underway and applications are due March 11th. If your student has a desire to serve their student body and is willing to devote time into a position, I encourage them to apply to be an ASB officer. Pick up an application by the activities center!

As we head into March, always remember, ***'Bruins are Better Together!'***

Seniors! You may receive emails from colleges or programs where you have applied asking for you to send your mid-year transcripts. With the first semester wrapping up, please see the following FAQ's to make sure your mid-year transcripts will be sent through Naviance.

If I previously requested my transcript(s) to be sent through Naviance Student to a college or program do I have to put the request in again?

No. If you already submitted your transcript request(s) through Naviance *Student*, your school will send your mid-year transcripts to the same colleges/programs on your Colleges I'm Applying to list when official transcripts are updated and loaded into Naviance

If I never requested my transcript(s) to be sent through Naviance Student to a college or program do I have to put the transcript request in now?

Yes. If you submitted a college/program application and forgot to request your transcript, please log into Naviance and request your transcript(s).

Questions about the transcript process? Please email naviance@everettsd.org

German 3 Happenings!

Kathy Lockwood's German 3 class has a partnership with Kimberly Frink's second graders at Emerson Elementary. The high school German students visit Ms. Frink's students once a month. During that time, the older students lead the younger ones in German-oriented activities that include crafts, singing or games. It has been great to see the high schoolers act as positive role models for the younger kids. Both groups

seem to really benefit from this partnership.

German 3 students made traditional gingerbread houses before the winter break. They had to follow a recipe that was entirely in German. There was a lot of measuring, collaborating and tasting during this project. The products went into a display case in Building 4.

Kindergarten registration begins this month

Do you have a child who will be 5 years old by Aug. 31, 2019? Registration begins March 4, at all 17 district elementary schools.

Which school will your kindergartner attend? To find out, go to <http://bit.ly/2019-20PathFinder>, or call the transportation department at 425-385-4144. If your kindergartner will attend the new Tambark Creek Elementary School, register at your nearest neighborhood elementary school.

Classified Employee Week

March 11-15, help us recognize the important work classified staff does for schools and students every day. We encourage you to take a moment and say thank you to office staff, crossing guards, paraeducators, maintenance staff, bus drivers and the many other classified staff who help schools and the district function smoothly.

21st annual student art shows

Everett Public Schools, in partnership with Everett Public Schools Foundation, is pleased to display the work of student artists at the Community Resource Center. See the art on display during regular business hours (7:30 a.m.-4:30 p.m.) or during a reception.

- Elementary school Art Show: March 4-22, viewing only
- High school Art Show: April 9-25, reception on April 24
- Middle school Art Show: May 6-31, reception on May 2

Make-up days

We have received many questions about how the district is going to make up the recent snow days, and some people have correctly referenced the Office of the Superintendent of Public Instruction noting that you can submit a waiver application for the recent snow days. The Basic Education Act also requires a number of minimal instructional hours, which cannot be waived. This means the solution to making up lost days due to inclement weather may result in a combination of adding days at the end of the school year and adjusting other days during the year. Once we are completely through the winter season, and all of the weather impacts are behind us, we will be able to determine the full extent of adjustments needed. The school board will be presented calendar revisions for action in the near future.

New elementary boundaries and transportation for some

Because the new Tambark Creek Elementary School is opening this fall, some elementary students will attend a different school in the 2019-20 school year. Each family affected by the elementary school boundary changes should have received a letter during winter break, but next year's school attendance and bus route information is available at <http://bit.ly/2019-20PathFinder>.

Youth internship partnership

Everett Career Link is a partnership between the City of Everett and Everett Public Schools offering high school internship opportunities. Everett Career Link's 90-hour summer internships are for students and employers seeking a proactive

approach to matching local talent with local opportunities. More information can be found on the district's [internships and youth apprenticeships website](#). Interested students can complete an [internship interest form](#), and interested employers can learn more on the district's website or email careerlink@everettsd.org.
