CASCADE HIGH SCHOOL

Dear Cascade Students and Families,

On behalf of the ASB Officers and Staff at Cascade, I would like to welcome you to Cascade High School and to an amazing school year! We are all excited to be working together as a community to reach our goals and have fun throughout the year in events such as the Food Drive, club and sports competitions, Blood Drives, school dances, and more.

So far, the school year has already been great. We started off the year giving a free Cascade “C” shirt to every student who purchased an ASB card. Doing things like this, we hope to see more students participating in Crimson and Gray Fridays and wearing spirit gear to games and events. Starting this year, we are also providing a “rooter bus” for student to take to away football games to make transportation easier for games that are further away. We hope to see as many students as possible at not just football games, but all sporting events!

This past summer, Cascade Leadership students came up with this year’s motto, “*We aren’t Bruins without U!*” Not only does this have to do with attendance and how important being at Cascade is, but to us, it also means that every single student at Cascade is an important part of our community, no matter their gender, race, background, life goal, or any other classification. Every Bruin is welcome at Cascade and will always matter, no matter what happens and no matter how many trials or hardships come our way this year. No matter what comes our way, we will stay strong as a community, and overcome the hard things and refuse to be defined by them. Every student is entitled to a voice at our school and our goal as an ASB is to ensure all students have a chance to express themselves this year and make the most of their High School experience. If at any moment a student finds themselves feeling excluded, alone, separated, or feeling unsafe, it is perfectly acceptable to find a trusted friend or adult who can help provide support and comfort in any time of need.

Every student at Cascade is important to us, and together, we can make this school year fun, successful, and memorable. Every Bruin has something valuable to share, and that will be what makes this year amazing and help us all learn and grow together.

We are so excited to be on this journey with all of you, and know we will all have a great school year together, because *We aren’t Bruins without U!*

Sincerely,
 Connor Robinson

EVERETT SCHOOL DISTRICT NEWS

Delayed start or closed schools

If we have to cancel school or delay the start of school, we will use our parent communication system to call in the morning, typically around 5:45 a.m., with a brief message about the reason for closure or delay. We will also use local media and post the message on our website. **If there is no announcement about Everett Public Schools, school is on the regular schedule.**

More information and resources for school closures or delays is on the district website under the *Parents* tab.

In cases of inclement weather or other emergencies, please:

- check your email or phone for district messages;
- listen for media announcements;
- view the district's website at www.everettsd.org;
- watch district [Facebook](#), [Twitter](#) or [Instagram](#) accounts; or
- call our district information line 425-385-4636.

Did you miss a call from us?

If missed a call from your school, please first check your voice mail or your email for the message rather than calling the school. Schools are often inundated with phone calls from parents after they send an automated call and cannot answer all of the calls.

Is your contact information up-to-date at school?

If your contact information has changed, please let your school know so we can reach you.

School Performance Report

Our school's performance report is available online on each school's website. More information is available on the [Office of Superintendent of Public Instruction website](#). Click on "State Report Card" and select Everett from the list of districts.

Capital projects updates

The district is hard at work on many projects approved by voters in April 2016. Design work has been completed on both the [North Middle School modernization](#) and new [Elementary 18](#). Both projects will break ground this spring. Check out the videos and more updates at www.everettsd.org/capitalprojects.

Back-to-school safety reminders

It's helpful to talk with your child from time to time about staying safe and alert, especially when traveling to and from school. Here are just a few quick reminders:

- Walk with a buddy
- Be aware of your surroundings (cell phones and ear buds put away)
- Wait with a friend or adult at bus stops
- For adults, stop for buses when they have the stop arm out
- Report anything suspicious to an adult right away

Watch for the mobile app

This fall families can download a mobile app to easily access student information, grades, attendance, lunch balances, calendars and more! (picture also attached to this email)

New communication plan of low and negative lunch balances

Food and Nutrition Services wants all students to have a positive meal experience and makes an effort to minimize identification and individual impact for a student with insufficient funds in-hand or in their account. To support this effort we will no longer communicate negative balances with students, only with parents.

We will use the following tools:

- On Tuesday and Thursday evenings, negative balance phone calls and e-mails will be sent through the district communication system.
- On Sunday evening, a low balance phone call and e-mail will be sent through the district communication system.
- Homeroom teachers will send green reminder envelopes home in student backpacks to families when a balance is getting low.

Parents can sign up with *MyPaymentsPlus.com* for free. By setting up an account parents will be able to:

- oCheck account balances
- oView transaction history
- oSet up low balance notifications
- oMake payments online

We appreciate your help to ensure that all students have a positive experience during breakfast and lunch.

CASCADE ROBOTICS NEWS

Even before the last day of school last summer Cascade Robotics was finishing planning for the 2nd annual robotics a yard sale in coordination with Windermere Real Estate at their Edmonds location. The yard sale was a huge success and we were able to raise over \$1700 for the robotics team!

The robotics team would like to thank everyone that donated items for the yard sale, and the money will go towards helping Cascade further open a future for student's interested going into STEM careers.

Next the team celebrated and other important sponsorships recommitment with Crane Aerospace in September when they presents Cascade Bruin Robotics and Washington FIRST a check for \$12,000. The team is aiming to gain more sponsorship from other Boeing suppliers in the Everett Mukilteo area such as Fluke and Electro-Impact.

As the school year unfolds and the robotics season begins, the team will attempt to attend the PNW FRC District Championship EWU this season all while having fun and gaining important skills that will provide students with a competitive edge throughout their careers.

Again thank you to all of the people that helped make the yard sale a huge success and thank you to all the people that help make robotics a better place for everyone.

NEIGHBORHOOD ASSOCIATION INVITE

I'd like to invite you to join your neighbors at the monthly Cascade View and Twin Creeks Neighborhoods Association meetings. Cascade View and Twin Creeks are 2 of 19 City neighborhoods. I am the chair. We meet on the 3rd Monday of each month, except August and December, at the EPD South Precinct at Everett Mall Way and West Mall Drive at 7:00 PM. We always have a great Guest Speaker. In June, we took a tour of the SNOPAC 911 Call Center. It was fascinating how they handle emergency calls! On July 17th, we also hosted a Candidates Forum for all local offices. It was a resounding success! We had 13 candidates for various offices and over 36 neighbors participating!

STAYING CONNECTED

The start of the school year is a big time of transition in the lives of families. As parents of teens, we often wonder how to support our kids while letting them learn independence and take responsibility for their lives. The following is an excerpt from Aha! Parenting (an on-line parenting website, created by Dr. Laura Markham, Clinical Psychologist) that reminds us of the importance of staying connected to our teenagers.

Staying Connected to Your Teen

"We need to rethink the old metaphor of separating from our teens and replace it with the concept of extension. That is, during adolescence, teenagers need to extend away from their parents, all the while staying connected to their parents. Their job is to extend; your job is to connect." - Michael Riera

In the United States, we often make a cultural presumption that teens and young adults who are close to their parents are less independent in their lives. That's not true, says recent research. In fact, young adults who feel they can share honestly with their parents say they feel free to make independent decisions and don't feel the need to rebel against their parents' expectations.

Our job as parents is to meet our kids' emotional needs at each stage of their development so they can advance to the demands of the next stage. In the teen years, everything we've done right and wrong comes into sharp focus. If we've accepted our child's dependency needs AND affirmed her development into her own separate person, she'll stay connected to us even as her focus shifts to peers, high school and the passions that make her soul sing.

It's appropriate for kids to become increasingly independent throughout their teen years. But it's critical, for most of those years, for parents to remain their teen's emotional and moral compass. Kids will begin to experiment with intimate relationships outside the family, but to do that successfully, they still rely on those intimate relationships at home remaining solid.

We need to invite our children to rely on us emotionally until they're emotionally ready to depend on themselves. Too often, in our culture, we let teenagers transfer their dependency outside the family, with disastrous results. Teens often give up a great deal of themselves in pursuit of the closeness they crave, only to crash against the hard reality that other teens aren't developmentally able to offer them what they need. The biggest predictor of how early your child will become sexually active? The closer she is to you and her other parent, the longer she'll wait.

It is NOT a sign of healthy emotional development for a teen to push parents away, or for parents to let him. That's a sign of a damaged relationship. Attempting to parent when your relationship with your teen is damaged is like pushing a boulder uphill. It's never too late in your relationship with your child to do repair work, to move closer. But it's a whole lot harder to build the strong connection you want if the foundation isn't there.

DELAYED START OR CLOSED SCHOOLS

If we have to cancel school or delay the start of school, we will use our parent communication system to call in the morning after 5:45 a.m. with a brief message about the reason for closure or delay. We will also use local media and post the message on our website. **If there is no announcement about Everett Schools, school is on the regular schedule.**

More information and resources for school closures or delays is on the district website under the *Parents* tab.

Attendance Policies

Welcome to the 2017-2018 school year.

Please read the information below outlining the CHS Attendance procedures.

Lisa Haines, Attendance Secretary

(425) 385-6004

To excuse an absence or tardy,
please use the following e-mail address:

chsattendance@everettsd.org

1. Written notes (paper) or an e-mail to chsattendance@everettsd.org are required to excuse a student's absence. You can also send a fax to (425) 385-6002 to excuse your student.

Upon arriving to school, late or leaving early students are required to sign in and sign out of the Attendance Office. If a student is late to school, even if it is during passing time or lunchtime, they are required to come to the Attendance Office to sign in and receive a pass to class.

Students are not permitted to leave school or meet a parent in the parking lot. For safety reasons, parents/guardians on record with the school must come into the Attendance Office to sign out their students.

If a student leaves school without permission and without signing out in the Attendance Office, their absences will remain **unexcused**.

Do NOT text or call your student during class to have them leave. Teachers do not allow students to leave unless the Attendance Office calls to authorize it.

2. Students must turn in their notes to excuse previous absences, early dismissals, bus notes, written by a parent, by 10:00 a.m. in the morning. If your student forgets to turn in their absence note, they are welcomed and encouraged to bring it the next morning.

3. Notes must be turned in within 30 days after a student returns back to school, not including holidays or weekends, in order to have the absence excused. Notes

CHS ATTENDANCE CONTINUED

turned in past the 30-day timeframe will be accepted; however, the absence is not excused and will be coded with **LN for late note**.

4. **IF you receive a phone call saying your student was marked absent in a class** and they say to you, "I was there," please contact the teacher directly about this discrepancy or have your students stop by the attendance office for a pink Attendance Correction Request slip. The student will need to take care of this with the teacher who marked them absent. The teacher is the only one that can give permission to change an absence that is deemed a "mistake" as they are the only one who can verify if a student was in class, in the wrong seat or tardy. The 30 day policy or before 10:00 a.m. policy does not apply for fixing these mistakes.

5. If your student is out of school **over 5 days due to illness, a doctor's note is required to excuse the absence.** Homework can be requested for students out sick over 3 days. Please be aware that we require 24 hour's notice to teachers for homework collection. You are welcome to email teachers directly to request schoolwork.

6. **Pre-Arranged absence request:** If your student is going to be out of school due to vacations, surgeries, tournaments, appointments, etc., a pre-arranged absence form is required. These forms are found on-line or in the attendance office. This must be filled out by the student and signed by all teachers along with parent/guardian. The Principal will review and consider all Pre-Arranged absence requests before approval.

7. **PLEASE know what time your student has lunch or is in a PE class.** It is *not possible to find your student during lunch and extremely difficult to find them during PE*. If you have to pick them up during either of these times, please send a note with your student asking for them to be dismissed at a specific time. Your student will bring that note to the attendance office before school begins to pick up a pass that will allow them to meet you at the attendance office at the time specified.

8. **Please remember that if your student missed the bus, overslept or is running late, or had car trouble, the absence WILL NOT be excused.**

9. **The following excuses are considered valid and acceptable per the Everett School District Attendance Policy:**
