Dear Families:

It is with great sadness that I am writing to inform you that I will not be returning to Penny Creek Elementary in the fall. I know that this may come as a shock to you, and I apologize in advance.

My husband and I were offered positions on the eastside of the state where we can live close to family and purchase our forever home. This has been a dream for my husband and mine for many years, and we are excited for the opportunity. Although we didn't see this opportunity coming so soon, we couldn't pass up the opportunity to follow our dreams.

With this excitement, however, comes a lot of sadness that I will not be looping with our class next year. I am genuinely sad to be leaving this group and am heartbroken that we didn't get a proper goodbye. However, I know that the kids will be in great hands with the teacher that is replacing me. I hope that you understand, and I wish the kids all the best. They are a smart, confident, and kind group and their new teacher is so lucky to have them.

Sincerely,

Kendall Landis
