

# Distance Learning Choice Menu

Month of: April

This Choice Menu has multiple activities that you can choose to complete while at home! Color each box you complete and share on Padlet if you complete every activity!

<p>Which is better: fiction or nonfiction. Write at least 3 sentences giving your answer and explaining why you think that.</p>	<p>List the character traits of someone in your favorite TV show.</p>	<p>Write a short letter to a friend.</p>
<p>Draw a picture of our classroom from memory, post this on Padlet.</p>	<p>EVERY NIGHT Read for fun</p>	<p>Write the answers. <math>0 \times 4 =</math> <math>49/7 =</math> <math>8+88 =</math> <math>10 \times 10 + 10 =</math></p>
<p>Write the numbers from 0-100. Write down two patterns that you notice in the numbers.</p>	<p>Draw a picture of something you did over the Spring Break. Share your finished drawing on Padlet.</p>	<p>Choose an object at home and count them. Ex. Spoons, forks, toy cars, or windows. Write an equation to help other learn how many you have. Post your equation on Padlet for others to solve.</p>

# Distance Learning Choice Menu

Month of: \_\_May\_\_

This Choice Menu has multiple activities that you can choose to complete while at home! Color each box you complete and share on Padlet if you complete every activity!

Interview a parent, grandparent, aunt, uncle or older person. Ask them to compare how their childhood was different from yours and record their answers.	If you could have any animal as a pet, what would you have? Write three sentences explaining why.	Find 5 awesome words in something you've read. Either write the definitions of the words using a dictionary (online or phone dictionaries will work!)
Design a poster for your favorite book.	EVERY NIGHT Read for fun	Use materials from your house to represent the fraction $\frac{3}{10}$ .
How many drops of water can you fit on a quarter? Why do you think the water does not fall off right away. Post your hypothesis on our class Padlet!	Plan to create and run a lemonade stand. Today, research what ingredients you'll need to make lemonade. Write out the recipe you'll follow.	Sketch what you see outside of your bedroom window. Post your sketch to Padlet.

# Distance Learning Choice Menu

Month of: June

This Choice Menu has multiple activities that you can choose to complete while at home! Color each box you complete and share on Padlet if you complete every activity!

<p>You are drawing a picture on your driveway with chalk that is 4 feet long and 7 feet wide. What is the area of your picture?</p>	<p>If you needed help from someone really smart, whom would you go to and why?</p>	<p>A candy company asks you to come up with a new jelly bean flavor. What would you make?</p>
<p>Paint a rock. Post a picture of your completed rock on Padlet!</p>	<p>EVERY NIGHT Read for fun</p>	<p>Draw a quadrilateral that is not a rectangle or a square but has four equal sides. What is the name of this shape?</p>
<p>Tony ate <math>3\frac{1}{4}</math> of the cake and John ate <math>6\frac{1}{4}</math> of the cake. Who ate more? Draw a picture to show your reasoning</p>	<p>Plan your route to the beach for Summer! Using Google Maps, figure out how far your house is from the nearest beach!</p>	<p>Write a story about spending a day at the beach. What do you see, hear and smell?</p>
