

Family Guidance Activities to Maintain Skills

English Language Arts:

- Draw a picture of yourself or your teacher
- Name as many zoo/ocean/pets animals as you can.
- Pick a letter each week and find the letter in a book or in magnetic letters.
- Draw and color a picture that begins with the letter of the week (your choice).
- Describe things in a room in your house, guess which room it is.
- Draw a rainbow, name the colors.
- Position words: put hat on head, under chair, behind backpack, etc..
- Make the letters in your name using playdough snakes.
- Color a picture and practice staying in the lines. Use colors that are realistic (tree is green, bus is yellow, apple is red/green)
- Find things in your house that start with the letter of the week (your choice).
