

Dear Parent/Guardian,

We know that learning can happen anyplace at any time. As we strive to secure a safe learning environment for our students, we are partnering with **Imagine Learning**.

Your child can log in and continue learning while outside of the classroom and at home with this program(s). To get started, please visit this website, <u>www.imaginelearning.com/at-home</u> and watch the quick introduction videos—available in English and Spanish. You can also download the parent letter (available in various languages) with brief login details.

If you have questions or need help, feel free to reach out directly to **Imagine Learning's Customer Care Team** at:
