CASCADE HIGH SCHOOL NEWSLETTER

January 2022

VOLUME 5, ISSUE 5

## From the Principal

Dear Cascade Families,

As we move into 2022, I want to share my gratitude for the support of the entire community in continually challenging times. We certainly look forward to and hope for positive developments in this new year.

As we come back from winter break, we will have finished roughly 2/5 of our school year, and will still have close to 20 days of our first semester to increase engagement and improve performance. Teachers are ready and available to help and provide support to students, but it is important to not wait too long. Teachers often want to provide support but are met with limitations when students or parents ask so close to the end of the semester. If your student is struggling, there is no better way to get help than to connect with your child's teachers as soon as possible to request support.

As we move into 2022, it is also important to recognize and be aware that the Everett Public Schools Board of Directors approved two replacement levies to be voted on this February. Both of these levies replace existing levies that will be expiring this calendar year, with one being for educational programs and operations, and the other being for essential projects like technology and safety/security improvements. Information on these levies can be found at <https://www.everettsd.org/2022Levies> and includes a breakdown on what these levies fund and what systems and locations they would impact. Finally, I just wanted to share a few items that I believe should give us all hope as we enter this new year:

- ✓ Each year we take the Panorama Survey, which is a measure designed to look at student perceptions of a number of items (school culture, academics, their own abilities, etc.). We celebrate seeing both relatively good participation as well as data that indicates that our student body is growing in their belief that they can make Cascade a welcoming, safe, and inclusive environment. Data points have consistently grown over the past few years in student sense of safety and in student sense of belonging. It is our responsibility as an entire community to keep growing those areas in service of a more effective and welcoming school community. Great work Bruins!
- ✓ Part of our values and goals as a school and as a district revolve around preparing all students for life after high school and to that end, our staff members are still working hard to help our seniors complete their FAFSA and submit their college applications. In fact, nearly a quarter of the Class of 2022 have already completed their FAFSA. Let's keep that good work going Bruins!

- ✓ In preparation of the registration process for the 2022-23 school year, we will be working to support all current 8<sup>th</sup>-11<sup>th</sup> graders in determining their course of study for next school year here over the next few months. The registration process usually begins towards the end of February and runs through March, so be on the lookout for information regarding that process!

Thank you, and as always, I wish you and your family good health in this new year and look forward to continuing to work together in support of our students.

## Worksite Learning

Did you know you can *earn credit for your job outside of school*? Worksite Learning Experience (WSL) allows a student to earn .5 CTE credit for every 180 hours of work at their current job. Students will complete an initial set of paperwork, submit copies of paystubs and focus on learning objectives while they perform their normal job functions.

For more information, contact Bree Youngberg ([byoungberg@everettsd.org](mailto:byoungberg@everettsd.org)) or complete the interest form at: <https://forms.office.com/r/CnHDS9F1w3>

## **OTHER AWESOME THINGS:**

We were the recipients of several very generous donations from our community:

- Don, Jan and Megan Jensen donated turkeys on behalf of the Brett Akio Jensen Memorial Scholarship fund, in memory of their son Brett who was a 2001 graduate of Cascade High School, ASB President, and a passionate student who loved the food drive!
- ZUMIEZ Foundation- Mr. Therrell, a staff alumni of Cascade High School who was passionate about the food drive, has set it up so that Cascade High School Food Drive will receive this generous donation each year. Due to supply chain issues, these items will arrive in the new year – so we will be able to distribute these to students and families in need just in time for some snow fall in January/February.
- Evergreen Middle School: Students and faculty at Evergreen Middle school donated several carloads of food to our food drive!
- Irwin Family Lights- A local family light show sponsored the CHS Food Drive over the weekend and brought in truckloads of food and over \$222 dollars!

On Monday, several of our student leaders were interviewed by Steve Willits from KRKO about the Food Drive! They did an amazing job capturing the pride and tradition of the CHS Food Drive! Take a listen at the 54:02 mark:

### **SHOPPING and WRAPPING DAY:**

Over 300 students, 50+ alumni, and numerous staff helped to coordinate the Wrapping Day in the Library and Shopping Day in the gym. We boxed up food and wrapped gifts for over 120+ families, many of which are families of our Cascade students – several were also families of Everett HS families and from our feeder middle and elementary schools. The food required over 1,100 boxes and labels (thank you to Catherine Shaw for making the labels!!)

Rachel Raine and Jill Jackson oversaw the massive undertaking of Shopping Day in the library, with the support of many staff members and classrooms who came into wrap up the gifts for those 393 children. Special shout out to Ms. Patrick's Freshman Leadership Class and Mrs. Jackson's students for leading the charge on the Giving Tree!

Thanks to all of you for boxing and pre-sorting your food, we finished sorting food just after 1pm. This makes this day so efficient for our students! Thank you to Mr. Hull, Ms. Hodgins, and Mr. Bertrand, and Ms. Jacobs who brought in their PE classes during the day to help unload all the pallets off the Safeway semi-truck and sort out the over 40,000 food items in the gym!

Michelle Crews and Rhonda Covert and alumni Spencer Bowlden oversaw the placement of the packaged food for each of the families and organizations. Fitting 1,100 boxes in to ¼ of the gym is no easy task, but they manage to do it flawlessly year after year!

Bruin Community Parents and several students served dinner and brought in desserts and snacks to keep the students hydrated and fed during the sorting and shopping process- thank you, BCP!

### **DELIVERY DAY:**

100 students and 30+ alumni departed in ~35 vehicles to deliver food to our families and food banks. Two of our fabulous students, freshman Ben and senior Josephine, were able to help translate in Russian and Spanish via phone for our delivery teams when needed. We also appreciate the students working in the Safeway aisle and with Ms. Jackson who helped move in carts and make sure the right gifts made it to the right families.

We had the gym cleaned and swept by 12:30pm – RECORD TIME!! We sent a crazy amount of extra food to fill the shelves at the food banks of the Salvation Army, Volunteers of America, and Mill Creek Food Banks.

Way to go, Bruins! Let's do it again next year!

## January is School Board Appreciation Month

The month of January marks the annual observance of School Board Recognition – a time to salute the work of school board members and celebrate public education. You can learn more about [board members online](#). You can also [watch past school board meetings](#) on the district's YouTube channel. The Washington State School Directors Association (WSSDA) honors exemplary school boards that improve student learning and follow best practices of governance. Everett Public Schools Board of Directors has earned this honor for the sixth time this year for presenting exemplary evidence of ongoing professional development, addressing opportunity gaps and practicing governance that reflects the Washington School Board Standards.

## Replacement levies on February 8 ballot

Everett Public Schools has two replacement levy measures on the February 8, 2022 ballot. Both levies replace existing levies that expire at the end of 2022.

Having good schools and facilities has a positive effect on our neighborhoods. Better schools help build a stronger community, which will improve our quality of life, keep crime down, and help increase the values of our homes.

All students should be given the same opportunities regardless of their abilities, backgrounds, or family income. This funding will ensure all students in Everett Public Schools have the same opportunities to learn, grow and succeed.

### Proposition 1 – Replacement Educational Programs & Operations Levy (EP&O)

Local EP&O levy funding allows us to provide the quality education our community expects for our students, which goes beyond the minimum funded by the state. For instance, the state funds 3 district nurses and we have 12. They fund \$35 million for special education that costs us \$45 million to provide. This levy covers these and other basic operating expenses.

### Proposition 2 – Replacement Capital Levy

The replacement capital levy provides funding to acquire, improve or maintain school facilities in the four categories below:

- **Technology \$96M**  
Our students benefit from ongoing integration of technology into their learning.
- **Increased safety and security \$2M**  
Our students will learn in buildings that are safer and more secure
- **Equal access, same experience \$172M**  
Every student in our district will have the same opportunity to learn in well-functioning, safe and modern spaces.
- **Maintenance and mandatory upgrades \$54M**  
Our facilities are valuable community assets and will be maintained to increase their life expectancy and comply with state mandated upgrades.

For more information, please visit [www.everettsd.org/2022Levies](http://www.everettsd.org/2022Levies).

## Save the date - Let's Connect

Please save the date for the Let's Connect on January 24. Have your questions answered and find out more information about the two replacement levies on the February 8 ballot. More information on how to register will be coming soon.

## Delayed start or closed schools

If we must cancel school or delay the start of school, we will use our parent communication system to call in the morning, typically around 5:30 a.m., with a brief message about the reason for closure or delay. We will also use local media and post the message on our website. **If there is no announcement about Everett Public Schools, school is on the regular schedule.** More information and resources for school closures or delays is on the district website under the *Parents* tab.

In cases of inclement weather or other emergencies, please:

- check your email or phone for district messages
- listen for media announcements
- view the district's website at [www.everettsd.org](http://www.everettsd.org)
- watch district [Facebook](#), [Twitter](#) or [Instagram](#) accounts

## Snow routes are online

School drop off and pick up locations may change in an emergency situation. If your child rides a bus to school, please become familiar with the snow route information on the district [transportation department's webpage](#).

## Safety tip line

Do you or your student have a concern about someone experiencing bullying or harassment? **Report it!** You can talk directly with your school's office or you can call, text or email your concern.

If there is reason for concern about safety on a designated walkway to school, call 9-1-1 immediately for authorized, quick help. We have strong partnerships with local law enforcement who share our interest in safe schools and neighborhoods. Student safety is a priority for all of us. Working together, we can help make our neighborhoods and schools nurturing places for students to safely learn and grow.

Los directores de Everett Public Schools se han ganado este homenaje por sexta vez en este año al presentar evidencia ejemplar del desarrollo profesional continuo, abordando las brechas de oportunidad y practicando la gobernanza que representa las normatividades de la junta directiva del estado de Washington.

## Exacciones de reemplazo en la boleta electoral del 8 de febrero

Las escuelas de Everett Public Schools tiene dos medidas de reemplazo de exacciones para la boleta electoral del 8 de febrero de 2022. Las dos exacciones reemplazan a las actuales existentes que se vencen a finales del 2022.

El tener buenas escuelas e instalaciones da un efecto positivo a nuestras comunidades. Tener mejores escuelas ayudan a construir comunidades fuertes, por la cual mejora la calidad de vida, mantiene el nivel de criminalidad bajo y ayuda aumentar el valor catastral de nuestras viviendas.

Todos los estudiantes deben tener las mismas oportunidades sin importar sus capacidades, antecedentes o ingresos familiares. Estos fondos asegurarán que todos los estudiantes de las Escuelas Públicas de Everett tengan las mismas oportunidades para aprender, crecer y ser exitosos.

### Proposición 1 – Reemplazo de la exacción de programas educativos y de operaciones (EP&O)

Los fondos locales de gravamen o impuestos EP&O nos permite brindar educación de calidad que nuestra comunidad espera para nuestros estudiantes que va más allá del financiamiento mínimo del estado. Por ejemplo, el estado financia 3 enfermeras del distrito y tenemos 12. Financian \$35 millones para educación especial la cual nos cuesta \$45 millones para ofrecerla. Este impuesto cubre estos y otros gastos de operación básicos.

### Proposición 2 – Reemplazo del impuesto capital

El reemplazo de la exacción capital provee fondos para adquirir, mejorar o mantener las instalaciones escolares y las siguientes cuatro categorías:

- **Tecnología \$96M**  
Nuestros estudiantes se benefician de la continua integración de la tecnología dentro de su aprendizaje.
- **Aumento a la seguridad y a la vigilancia \$2M**  
Nuestros estudiantes aprenderán en planteles que son más seguros y más vigilados.
- **Acceso equitativo, misma experiencia \$172M**  
Cada uno de los estudiantes en nuestro distrito tendrá las mismas oportunidades para aprender en espacios funcionalmente buenos, seguros y modernos.
- **Mantenimiento y actualizaciones obligatorias \$54M**  
Nuestras instalaciones son los activos más valiosos de la comunidad y serán mantenidos para incrementar su esperanza de vida y para cumplir con las actualizaciones exigidas por el estado.
