CASCADE HIGH SCHOOL NEWSLETTER

June 2023

VOLUME 6, ISSUE 10

From the Principal

Dear Cascade Families,

Happy June! As we approach the end of our school year, I am again reminded both of how exciting this time of the year is and how quickly time passes. June is when we will honor the students of the Class of 2023, who have endured so much to make it to the graduation stage. It is hard to fathom that for this group students, it was the end of their freshman year that was cut short in the most unimaginable way possible. And now they've reached this point, finishing out their high school experience. To say we are proud of them, and their accomplishment is an understatement. We absolutely wish for them the best as they transition out of high school and onto greater things.

In this newsletter, you will find important dates and content that will enable families to navigate their way through the end of this school year, graduation, and beyond.

Please be sure to be aware of our summer school offerings for students who want to recover credit or accelerate their achievement. As always, Cascade students have the added benefit of getting to come to their home campus since Cascade houses the in-person sessions. If you have questions about summer school, please connect with your child's counselor.

Finally, as this is an exciting part of the year, I want to express my gratitude to everyone as we end this school year. The hard work, the perseverance, the fun, and the celebrations, I hope it fills you with hope and happiness like it fills me. I certainly know that while every year I look forward to this season, somehow this year, as I've watched our seniors participate in the build up to commencement, their excitement and joy registers with me a bit more. Bruins, have a wonderful last few weeks of the school year, and as always, a huge thank you to students, their families, and to our staff for your work this year. Have a restful and wonderful summer.

Go Bruins!

Sincerely,

Michael Takayoshi

German Club News!

The German Club made their annual trek over the mountains to Leavenworth for the Maifest celebration on May 13th. Forty-two students enjoyed the festivities. There was traditional German folk music and dancing around the maypole. It was warm and crowded, but we had a great time. The highlight of the day was the parade of Bernese Mountain dogs!

Cascade Athletics

Congratulations to our softball team who qualified for the state tournament with a thrilling come from behind victory against Everett in the district tournament to advance! (State results tbd at the time of this writing)

Congratulations to Dustin Krestel for advancing to the track and field state tournament in the javelin after launching a personal record throw by 4 feet at districts to qualify! (State results tbd at the time of this writing)

Congratulations to our May Athletes of the Month:

- Our male winner is senior track and field athlete Adam Cresanti. Here is what Track coach Eric Smith had to say about Adam: "Great leadership and consistent contribution to both individual events and relays. Leads the team at practice and works with younger athletes to help them improve. Outstanding attitude and drive to improve." Adam was a state participant in the 4 x 400 relay during his junior year but unfortunately was not able to compete at districts this year due to an injury.
- Our female winner is senior softball player Alexa Hamshaw. She helped lead her team back to the state tournament for the second consecutive season. Here is what Softball Coach Mike Perrine had to say about Alexa: "Aside from her accomplishments on the field, Alexa is a leader on this team that puts her teammates before herself and is a captain that every girl can lean on when in need. For the month of May Alexa carried a .500 batting average and had 20 strikeouts in 12 innings pitched. If there is one word to describe Alexa's performance in the month of May, it would be Clutch! This recognition is very deserving for a girl that has left her mark on cascade's softball program."

Final Forms Rollover: On June 1st, Final Forms will roll over student data for next school year. However, all athletes and parent/guardians will need to log in and complete a new informed consent form for any sports they plan to participate in next year.

Congratulations to all seniors on their impending graduation! Best of luck to you as you embark on the next chapter of your lives. It's been a great year for the Bruins!

9th/10th/11th graders: See you in the fall!

15 Activities for Your Summer Self-Care Checklist

By Stephanie Natoli

Summer is a great time to think about self-care. With long sunny days and warmer weather, there are more opportunities than ever to switch up your routine and enjoy what the season has to offer. Use our self-care checklist to get some ideas for taking care of yourself this summer. We hope these suggestions will help you get moving, get outside and enjoy the sunshine!

Try these 15 ideas for summer wellness:

1. **Ditch the couch and relax outdoors.** Grab a blanket or lawn chair and something to read and set up camp on a shady patch of grass.
2. **Go for a stroll.** A long walk can be a great way to clear your head and enjoy a warm summer afternoon. You can also grab a friend and get your exercise while catching up.
3. **Explore your local farmer's market.** Take advantage of seasonal produce and local vendors. A trip to the farmer's market can be a great opportunity to try new foods and incorporate healthier options into your diet.
4. **Start a garden or join a community garden.** Gardening can be a nice way to meditate, enjoy the outdoors and get some sunshine. It can also serve as a bonding time with your family or a way to make new friends. And at the end of the day, you can enjoy the literal fruits (and vegetables) of your labor!
5. **Tidy one small space.** Perhaps a drawer or the top of your desk – even having one space clean and free of clutter can help you feel calmer.
6. **Make a summer feel-good playlist.** Bring on the summer tunes! Music can be an effortless way to improve your mood and motivate you to get moving. Bonus points for listening while exercising or cleaning.
7. **Have a picnic.** Enjoying a meal outside can be an easy way to get some fresh air and sunshine and shake up your daily routine.
8. **Try a new exercise.** Getting those endorphins flowing can help calm your mind and improve your mood. Think about doing something outdoors like hiking, tennis, or swimming. Just don't forget your sunscreen and bug spray!
9. **Look for things going on in your community.** Search online or in the newspaper for events going on around town. Consider outdoor movies, yard sales, festivals, farmer's markets, concerts, or dance classes. Making fun plans can help you feel excited and give you something to look forward to.
10. **Start or continue a journal.** Writing can be a great way to express how you feel and check-in with your emotions. Or, it can just be a place to doodle or draw. Make it whatever you need.
11. **Reconnect with someone.** Call an old friend – or even a grandparent or parent.
12. **Do an at-home spa day.** Taking a bubble bath, using a face mask, or doing a DIY pedicure can all be affordable ways to help yourself feel cared for. A candle, essential oils and relaxing tunes can all add to the spa vibe.
13. **Go exploring.** Pull up a map and find a new area of town that you haven't been to yet.
14. **Practice mindfulness.** Try meditation or make a list of 10 things you are thankful for.
15. **Do a needs assessment.** How did your last week go? Is there anything you could do to make next week better? Maybe you need more sleep, more social time or to prepare some healthy meals before your next busy week. Take a moment to reflect and think about how you can make time for whatever you need to best care for yourself.

Use these ideas to make your own self-care checklist this summer. Even small changes to your routine can improve your self-care practice and overall mood. Focus on new ways you can be active, get outside and get involved with your community. Make this summer a season of self-care.

Every summer when school ends, millions of children and teens are at risk of going hungry without access to the free or reduced-price meals they receive in school. The USDA's **Summer Food Service Program** (SFSP) provides free healthy meals to children and teens in communities with high rates of poverty. For more than 30-years, Everett Public Schools (EPS) Food & Nutrition Professionals have been serving summer meals to all children up to 18-years old. This year EPS will be partnering with a variety of new community organizations to offer free meals from July 5 – August 18. Check in with our [website](#) regularly to find out which parks, libraries, community centers will be providing complimentary meals all summer long.

Vaccinations for next year

Now is the time to plan for the vaccinations your child may need before they return next fall. We encourage you to obtain these vaccinations as soon as possible and provide documentation to your child's school health room staff. Providing this information before the new school year will help you avoid getting calls and letters as well as the potential exclusion from school in the fall. As a reminder, students entering 7th grade usually require a Tdap booster before they can start school. More information can be found on the district's [immunizations webpage](#).

Family Resource Center

Everett School District's [Family Resource Center](#) (FRC), which is part of our Categorical Kids in Transition (KIT) Program, is celebrating the completion of its' first full school year in operation. The FRC mainly serves EPS families experiencing homelessness or housing instability, supporting them while they navigate the various social service programs in the community.

The FRC serves as a hub for a limited supply of donated basic needs items and provides a welcoming space for our students and families to receive support, have some basic needs met and connect to school and community resources. Families are identified and referred to the FRC by KIT building point people located in each school throughout the district.

Since its' inception, FRC staff has built valuable partnerships with many community agencies, which has helped to better serve Everett Public Schools' families. As of mid-May, the FRC has connected almost 200 families to community resources, 60 families specifically to housing services, supplied over 100 families with basic needs items (including clothing, hygiene items and diapers) and distributed over 1,000 pounds of food.

Please consider donating to help keep the shelves of the EPS Family Resource Center filled.

Este año, las EPS se asociarán con una serie de nuevas organizaciones comunitarias para ofrecer comidas gratuitas del 5 de julio al 18 de agosto. Consulte nuestro [sitio web](#) de forma regular para saber que parques, bibliotecas y centros comunitarios ofrecerán comidas gratuitas durante todo el verano.

Las familias también recibirán una copia impresa en otoño. Visite www.everettsd.org/SBAinformation para obtener más información.

- **¿Cómo obtengo las puntuaciones de las pruebas?**

En *Quick Links* (Enlaces rápidos), haga clic en [How to view SBA scores \(Cómo ver las puntuaciones de las SBA\)](#) para obtener instrucciones. Si no tiene una cuenta del HAC o tiene alguna pregunta, póngase en contacto con LMS@everettsd.org.

- **Puntuaciones de la evaluación general de Ciencias de Washington**

Estas evaluaciones se califican durante el verano y estarán disponibles en otoño.

Music4Life

El Music4Life Everett Booster Club apoya el compromiso continuo del Distrito Escolar de Everett con la música instrumental en todo el distrito. Estos instrumentos se donan a Music4Life, son reacondicionados por nuestros colaboradores de reparaciones y luego distribuidos por todo el distrito donde haya necesidad. Si tiene un instrumento que le gustaría donar, póngase en contacto con info@Music4Life.org o visite el sitio web www.Music4Life.org para saber cómo hacer una donación deducible de impuestos para apoyar los programas de música en las Escuelas Públicas de Everett.

¡Ya viene Stuff the Bus!

Con el apoyo de nuestra generosa comunidad, la Fundación de las Escuelas Públicas de Everett organiza su 14.^a campaña anual de donación de material escolar Stuff the Bus for Kids. Este año la necesidad es mayor que nunca. Necesitamos su ayuda para entregar este otoño más de **2,900 mochilas** a los estudiantes y familias de las Escuelas Públicas de Everett. Busque los contenedores de recogida en los comercios locales durante el mes de agosto y busque los grandes autobuses escolares amarillos de Durham estacionados frente a Fred Meyer en Mill Creek y QFC en Evergreen Way del 11 al 13 de agosto. Si tiene alguna pregunta, póngase en contacto con Kirsten Hansen en khansen@everettsd.org.

Vacunas para el próximo año

Ahora es el momento de planificar las vacunas que su hijo(a) pueda necesitar antes de su regreso el próximo otoño. Lo animamos a que reciba estas vacunas lo antes posible y aporte la documentación al personal del aula de salud de la escuela de su hijo(a). Facilitar esta información antes del nuevo año escolar lo ayudará a evitar recibir llamadas y cartas, así como la posible exclusión de la escuela en otoño. Como recordatorio, los estudiantes que entran en el 7.^o grado por lo general requieren un refuerzo de la vacuna de tétanos, difteria y tos ferina (Tetanus, Diphtheria, Pertussis, Tdap) antes de que puedan comenzar la escuela. Obtenga más información en el [sitio web sobre vacunación](#) del distrito.

Listas de material escolar

¿Quiere empezar a comprar el material escolar del año que viene este verano? Encontrará la lista de material escolar en nuestra página web, en la pestaña *Our Schools (Nuestras escuelas)*, hacia la última semana de clase.

Está abierto el plazo de inscripción en el kínder

¿Tiene un hijo(a) que cumplirá 5 años el 31 de agosto de 2023? La inscripción está abierta. ¡Puede rellenar los formularios de inscripción para el kínder [en línea](#)! También está disponible un [video explicativo paso a paso para padres](#) como recurso.

Centro de Recursos Familiares

El [Centro de Recursos Familiares](#) (Family Resource Center, FRC) del Distrito de Escuelas de Everett, que es parte de nuestro programa categórico de Niños en Transición (Kids in Transition, KIT), está celebrando la finalización de su primer año escolar completo en operación. El FRC atiende principalmente a familias de las EPS que se encuentran en situación de carencia de hogar o inestabilidad en la vivienda, apoyándolas mientras exploran por los diversos programas de servicios sociales de la comunidad.

El FRC sirve como centro para un suministro limitado de artículos de primera necesidad donados y brinda un espacio acogedor para que nuestros estudiantes y familias reciban apoyo, satisfagan algunas necesidades básicas y se conecten con recursos escolares y comunitarios. Las familias son identificadas y remitidas al FRC por las personas de contacto de KIT ubicadas en cada escuela del distrito.

Desde su creación, el personal del FRC ha establecido valiosas asociaciones con muchas agencias de la comunidad, lo que ha ayudado a servir mejor a las familias de las Escuelas Públicas de Everett. Hasta mediados de mayo, el FRC había puesto en contacto a casi 200 familias con recursos comunitarios, en concreto a 60 familias con servicios de vivienda, había suministrado a más de 100 familias artículos de primera necesidad (ropa, artículos de higiene y pañales) y distribuido más de 1,000 libras de alimentos.

Considere hacer una donación para ayudar a mantener llenos los estantes del Centro de Recursos Familiares de las EPS.
