# Specialists' Activities for Week 5/11-15/2020

Specialist	For Students/Families
<b>Tech Lab</b>	<p>Go to your LAB Google Classroom to complete the following activities:</p> <ul style="list-style-type: none"><li>• Pizza everywhere assignment – learn about pizza from Mystery Doug, play a pizza game, make a pizza and showcase your pizza eating skills!</li></ul> <p>Go to Student Tools to work on:</p> <ul style="list-style-type: none"><li>• Typing Club</li></ul>
<b>Library</b>	<p><u>Destiny Discover eBook Review:</u></p> <p>Please head to your Library Google Classroom. I added an assignment that will teach you how to write a book review for eBooks using Destiny Discover. I would love it if you read an eBook (or if you've already read the print version), and share the review on Destiny Discover. This will help other students choose eBooks too!</p>
<b>PE eldkt5r</b>	<p>Enjoy your workout! Miss you FRIENDS!</p> <p><a href="https://classroom.google.com/u/0/w/NjYzNjI1NDE4MTda/t/all">https://classroom.google.com/u/0/w/NjYzNjI1NDE4MTda/t/all</a></p>

# Specialists' Activities for Week 5/11-15/2020

<p><b>Music</b></p>	<p><b>Students,</b> This week you will have an opportunity to look at one out of the main four families of instruments. Each week we will be focusing on a new family, this week we will learn about:</p> <p><b>String Family</b></p> <p>Please try to look for similar things in these instruments, how they are played and also how they sound. Try to pick your favorite and draw or sketch it out. Here is join code to the music classrooms:</p> <p><b>1st Grade - I3caqip</b></p>
<p><b>Art</b></p> 	<p>Hi Boys &amp; Girls, I hope you had time to celebrate your mom on Sunday. If you haven't shared your art with me please do, I'd love to see anything you have been creating. This week I have a Paper House Garland project for you in Google classroom. Have fun creating.</p> <p>Google Classroom Class Code 6lzcytk</p> <p><a href="https://flipgrid.com/kelsoart">https://flipgrid.com/kelsoart</a> Password: Cedarwood</p> <p>Check out my website for some other fun activities. <a href="https://www.everettsd.org/cwe-hkelso">https://www.everettsd.org/cwe-hkelso</a></p>

# Specialists' Activities for Week 5/11-15/2020

## EL/EL

Virtual Parent Reading Night PowerPoint in English and Spanish

<https://www.everettsd.org/Page/35241>

Strategy of the Week: Make Words in English and Spanish

<https://www.everettsd.org/Page/35040>

## PHONICS

## Math

[Investigations Online Math Games](#)

Familiar games online, available in English and Spanish, as well as audible directions.

## Counseling

Hello friends! Watch this week's Second Step lesson with Mrs. Tovias [here](#)! It is about how to manage our worried feelings. Remember to review the steps to calming down by reviewing the [How to Calm Down poster](#).

[Click here](#) if you and your family would like to do some more activities on this topic together.

# Science

I can plan and carry out an investigation

I can sort objects based on properties

I can find patterns

May 11-15 NGSS Performance Expectation: 2-PS1-1.

Suggested resources and/or activities:

1. **Propose a phenomenon to students to launch investigation.**

- The Picnic Problem- I tried to have a picnic last night in my yard but the blanket kept blowing away in the wind when I got up to grab something from inside. I went to find something to help keep my blanket down when I am not sitting on it.

2. **Make a prediction:**

- Which of the objects you collected and sorted last week would keep my picnic blanket from flying away in the wind? Why or why not? Which properties make them better at holding down the blanket?

3. **Plan an investigation:**

- How could we test our prediction? Students generate ideas on how they could figure out which objects would help.

# Monday 5/11/2020

## Daily Activity Guide

### Reading:

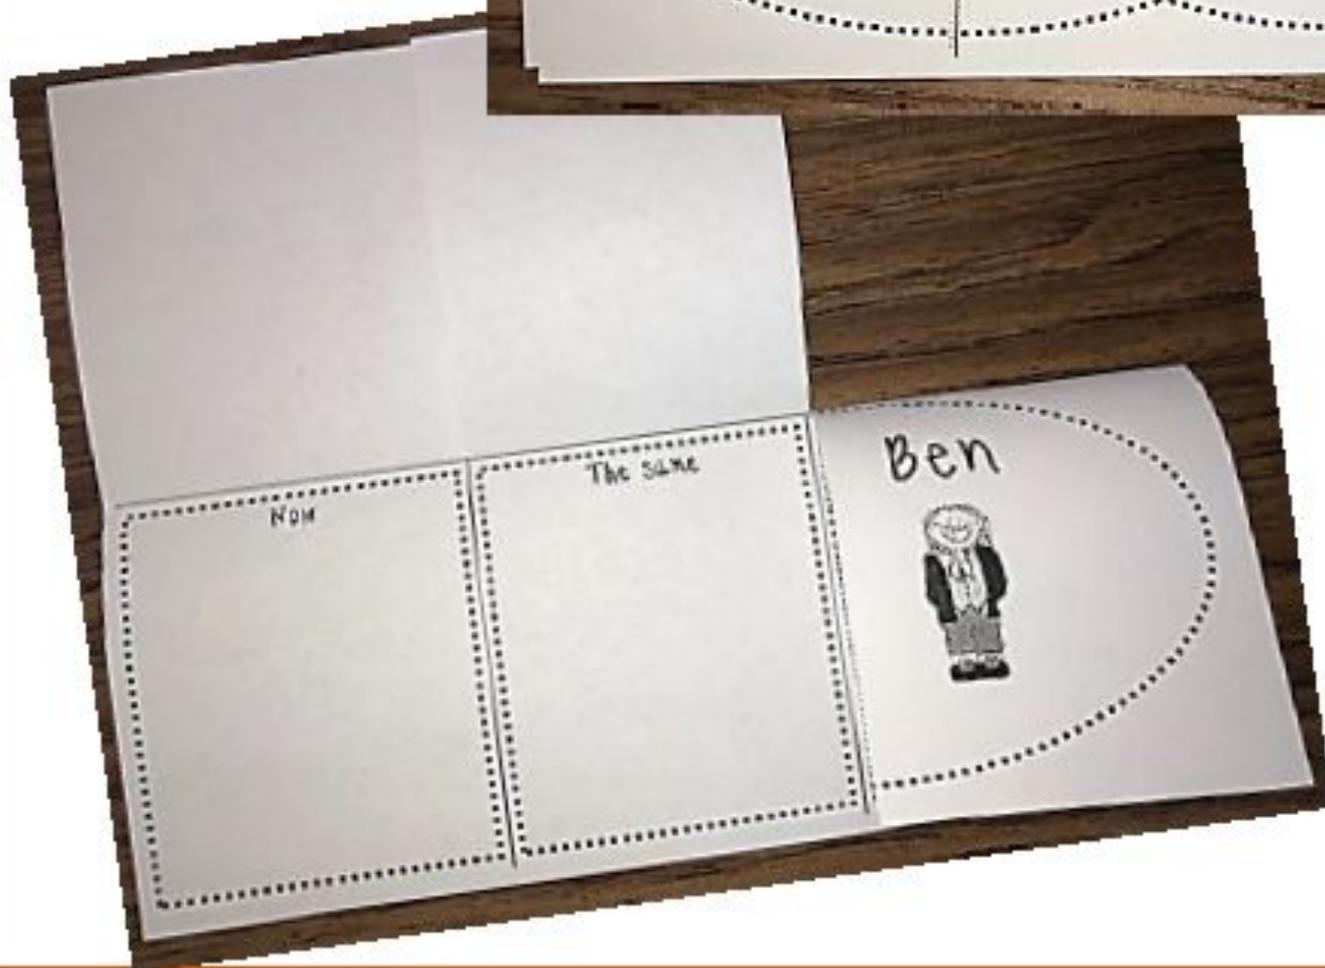

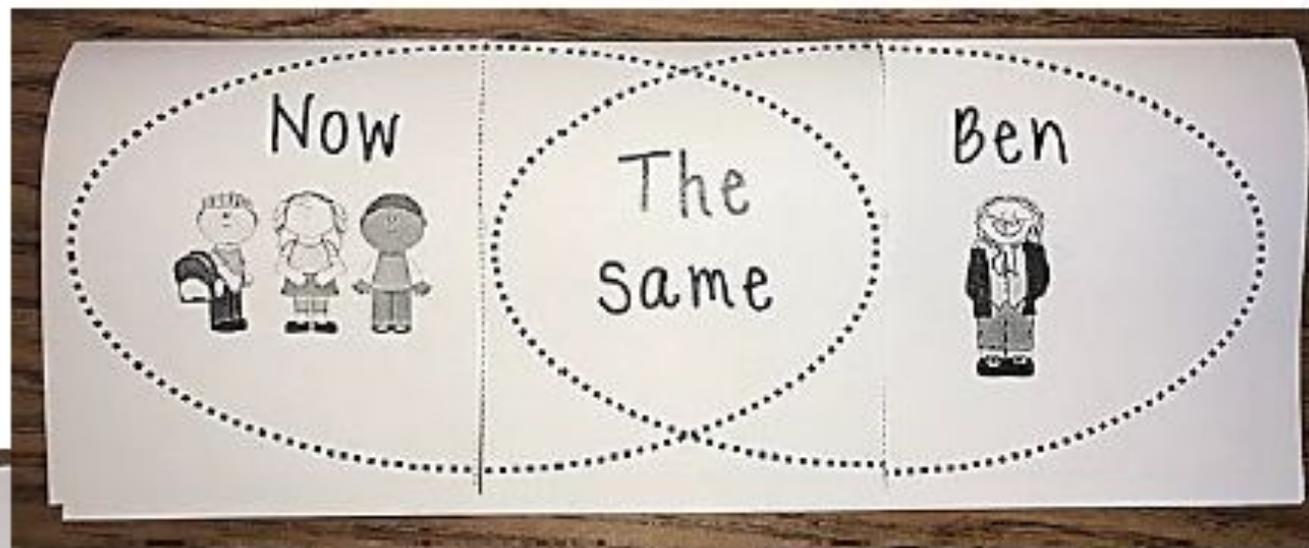

1. Zoom meeting a 10:00am
  - a. Read-aloud Comprehension Focuses: Identify Main idea and details, visualize.
  - b. Hand on activity: Flip up Venn diagram, compare and contrast (Then and Now).

### Math:

1. Complete Daily Common Core Review Worksheet 10.3.
2. Hands on game
3. 20 minutes on i-ready

### Writing:

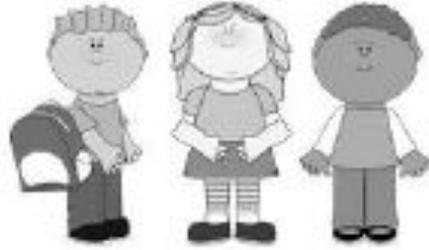

1. Watch Mr. Hawkins video on how to make a Biography poem. Start planning how you will write your poem.

# Flip Up Venn Diagram!

Fold on the solid line and cut  
on the straight dotted lines.  
Flip up the flaps to write.  
Compare and contrast life  
now and life when Ben  
Franklin lived. Write what is  
the same in the middle.

Now

The  
Same

Ben

Name: \_\_\_\_\_

Now

The same

Ben

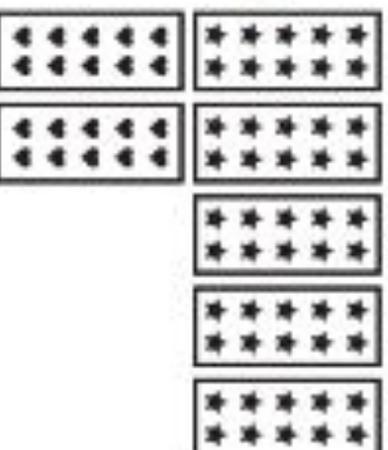

Name \_\_\_\_\_

1. Katie has 30 paper clips.  
Norman has the same number  
of paper clips.  
Which shows how many  
paper clips in all?

- (A)  $30 + 0 = 30$
- (B)  $30 + 3 = 33$
- (C)  $30 + 10 = 40$
- (D)  $30 + 30 = 60$

2. Alex has 2 groups of stickers.  
He has 70 stickers in all.  
Which tells about Alex's stickers?

- (A)  $70 + 2 = 72$
- (B)  $50 + 20 = 70$
- (C)  $50 + 2 = 52$
- (D)  $20 + 5 = 25$

3. Follow the clues.  
Then write the  
addition sentence.

41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70

Start at 42.

Move down 2 rows.

$42 + \underline{\quad} = \underline{\quad}$

# BIOGRAPHY POEM

## EXAMPLE:

- o Danny
- o Funny, Brave, Smart
- o Who dreams of living in California
- o Who wants to learn about elephants
- o Who wonders what my cat does when I'm gone
- o Who fears thunder and lightning
- o Who is good at soccer
- o Who likes snakes
- o Who loves my family, my cat, and our birds
- o Who wants to become a police officer
- o Scott

# BIOGRAPHY POEM

## MY PLANNING:

First Name \_\_\_\_\_

3 Adjectives: \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

Who dreams of \_\_\_\_\_

Who wants \_\_\_\_\_

Who wonders \_\_\_\_\_

Who fears \_\_\_\_\_

Who likes \_\_\_\_\_

Who loves \_\_\_\_\_

Who wants to become \_\_\_\_\_

Last Name \_\_\_\_\_

# Tuesday 5/12/2020

## Daily Activity Guide

### Reading:

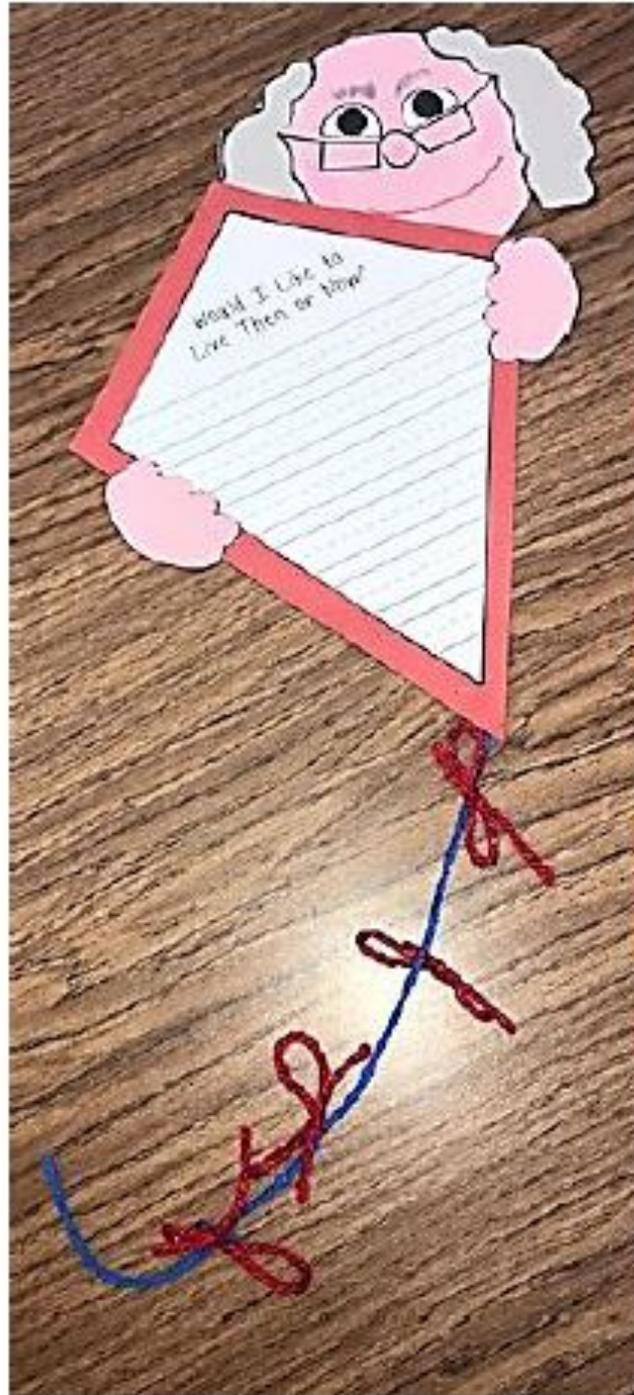

1. Read 30 minutes
2. RAZ kid 1-2 books
3. i-Ready 10 min.
4. Hands on activity: Would I like to live then or now? Cut out activity with Ben Franklin.

### Math:

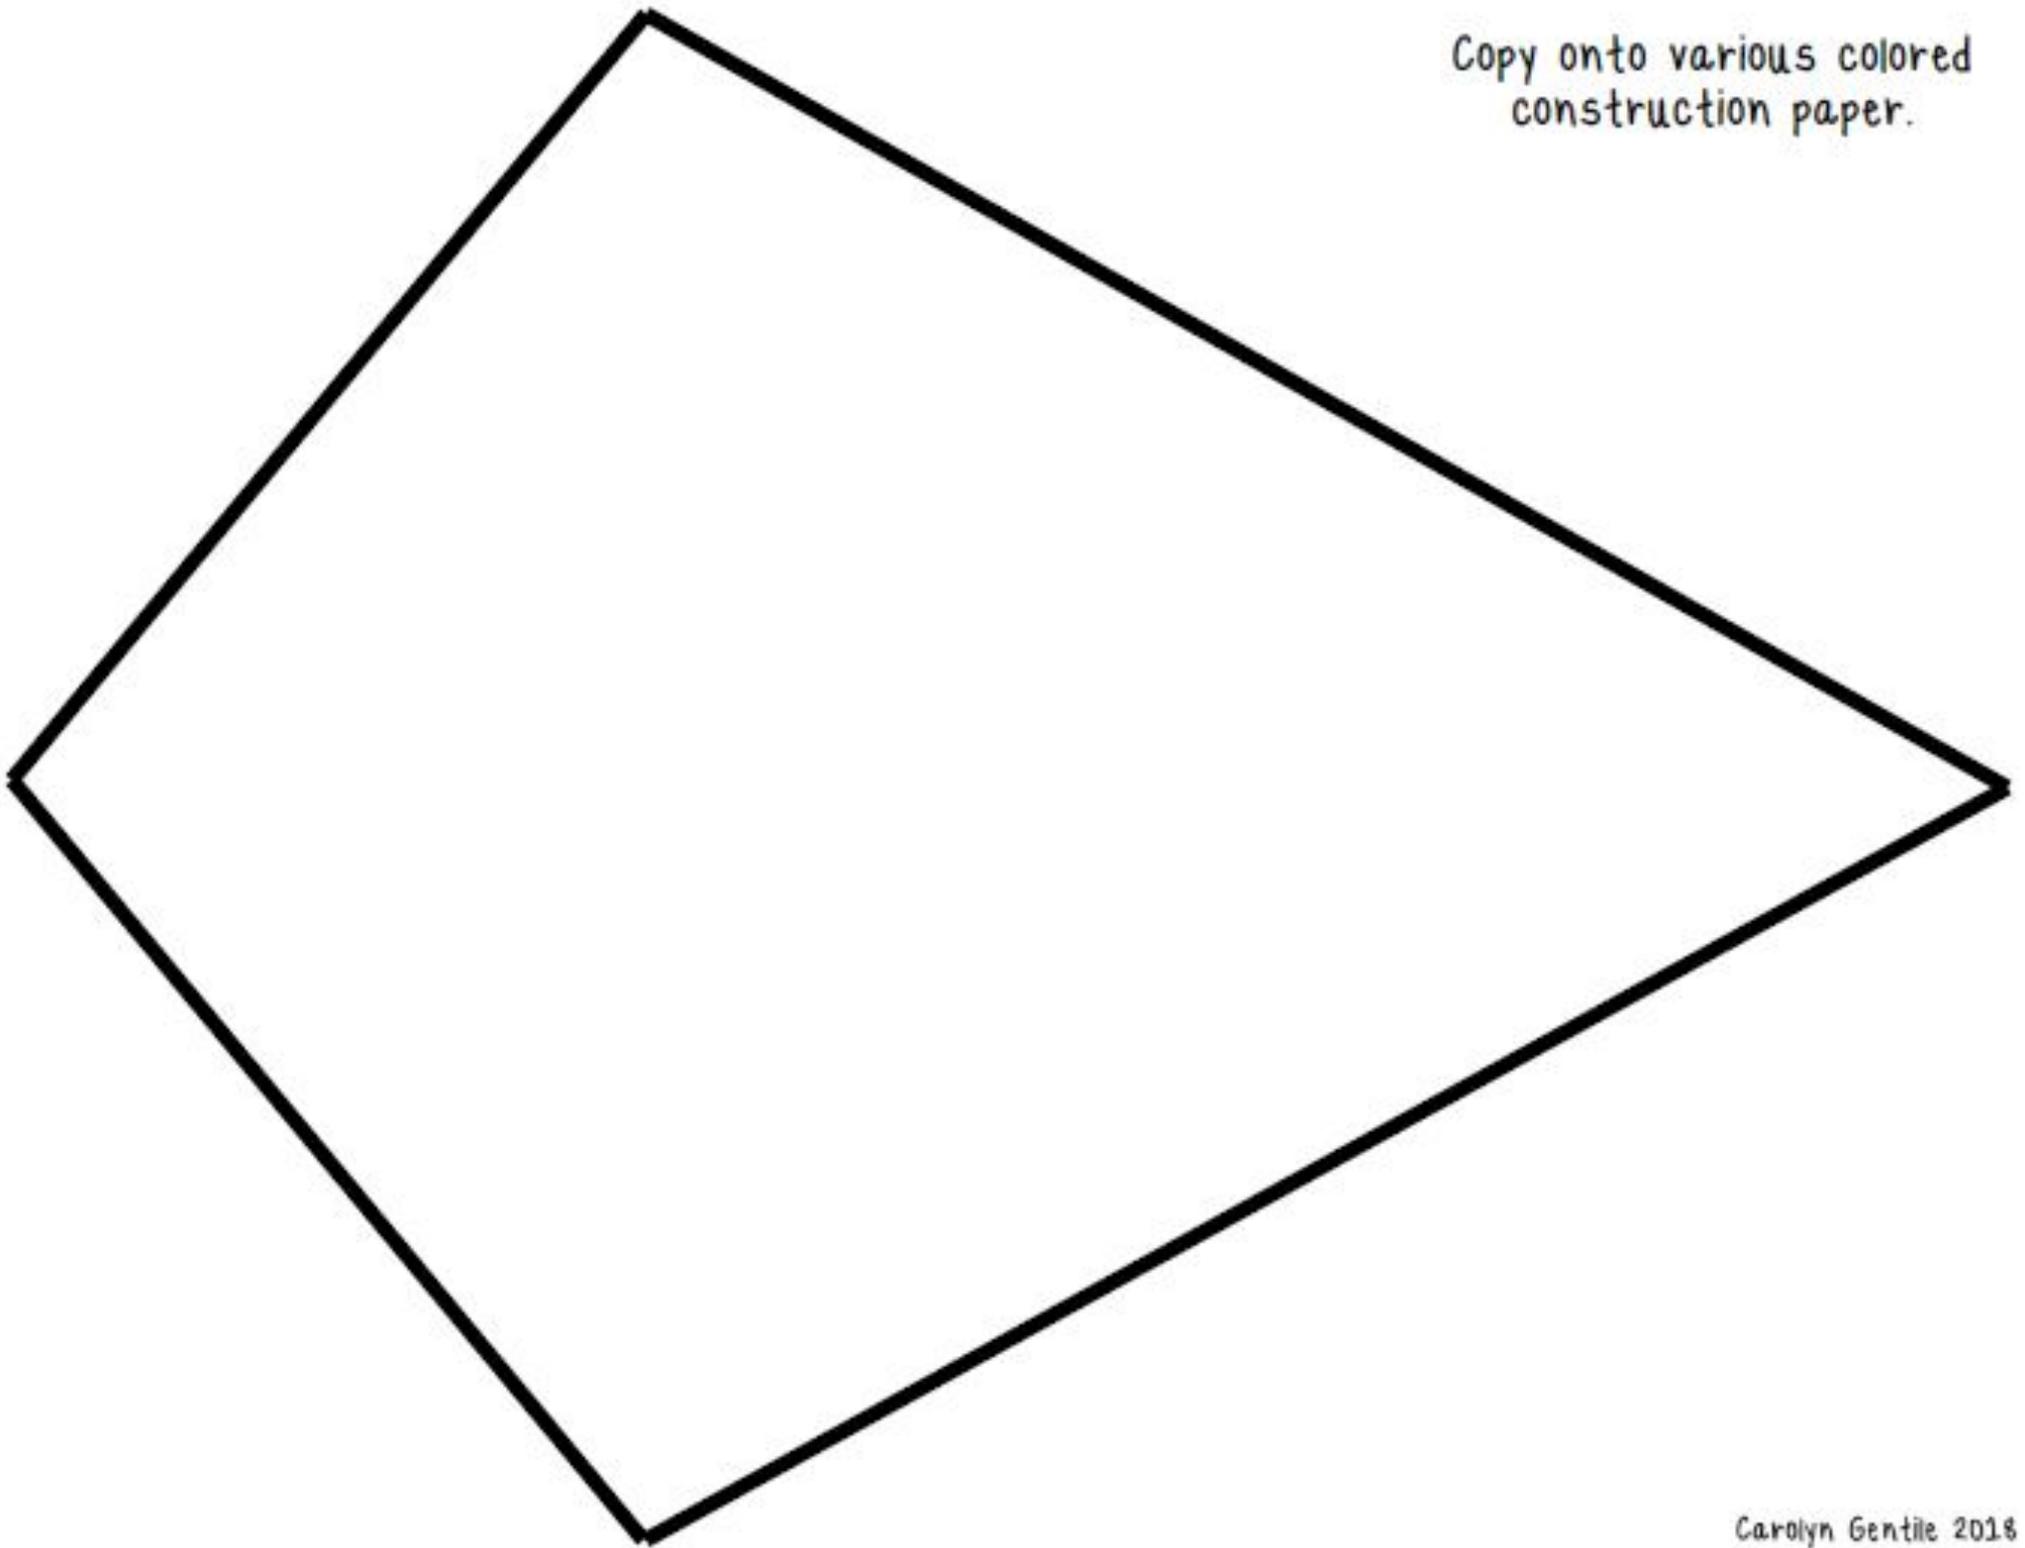

1. Watch Mr. Hawkins' math lesson in google classroom.
2. I can subtract 10s. Finish worksheets: Reteach 10.3 while you watch Mr. Hawkins' video. Then, on your own complete Practice 10.3 I included an enrichment worksheet that you can complete if you want.
3. Prodigy

### Writing:

1. Handwrite your Biography poem.

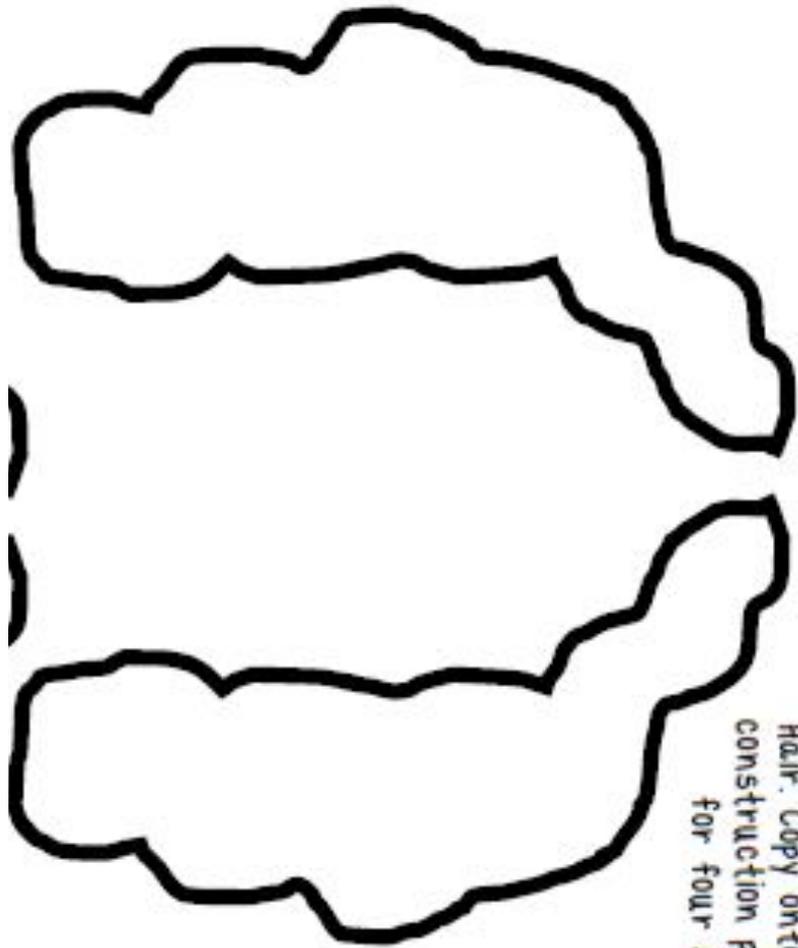

Copy onto various colored  
construction paper.

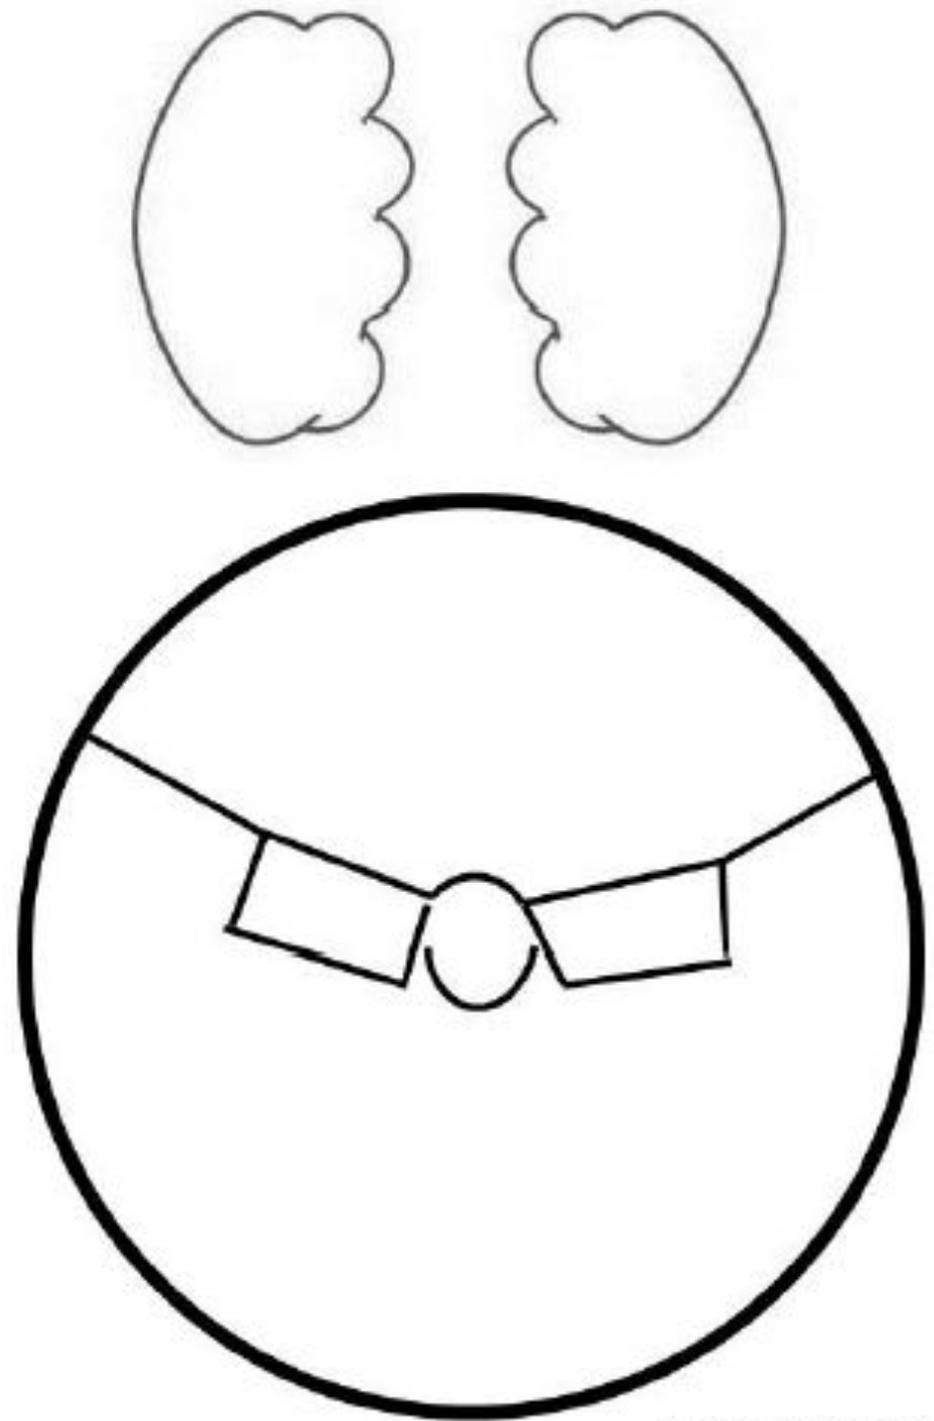

Would I Like to  
Live Then or Now?

Hands and face. Copy onto skin colored construction paper. Enough for two students.

Hair. Copy onto  
construction pa  
per for four st

# Math Resources

## 3 Develop the Concept: Visual

### Visual Learning

You can add tens to a number.

$$28 + 30 = ?$$

How many tens are in 30? [3 tens] How do you know? [The tens digit is 3.]

$$28 + 30 = ?$$

How can you show 30 using tens rods? [3 tens rods] Since 3 tens rods are the same as 30, can you skip count by 10s to add 30 to 28? [Yes]

Start with 28.  
Count by 10s to add 30.

28, 38, 48, 58

How do you add 3 tens to 28 without seeing 28 cubes? [You think about the number 28 and skip count from 28 by 10s three times.]

#### Prevent Misconceptions

Remind children to start at 28 when they skip count to add but not to count 28 as the first ten added. The first ten added will give 38.

The tens digit changes. The ones digit stays the same.

$$28 + 30 = 58$$

Why does the tens digit change? What digit stays the same? Explain. [The tens digit changes because three tens were added. The ones digit stays the same because no ones were added.]

Visual Learning

Name \_\_\_\_\_

Reteaching  
**10-3**

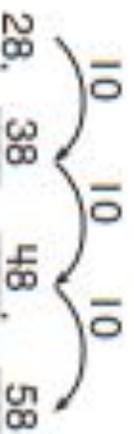

## Adding Tens to Two-Digit Numbers

You can count on by tens to add.

3 tens

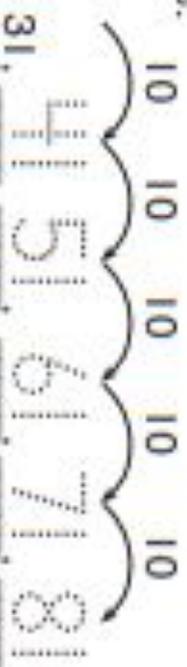

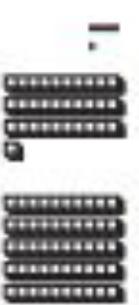

28 + 30 is 28 + 3 tens

$$28 + 30 = 58$$

Solve each number sentence.

31 + 50 is 31 + 5 tens

$$31 + 50 = \underline{81}$$

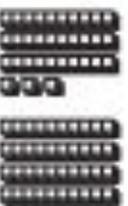

2.

52 + 20 is 52 + \_\_\_\_\_ tens

$$52 + 20 = \underline{\quad}$$

3.

33 + 40 is 33 + \_\_\_\_\_ tens

$$33 + 40 = \underline{\quad}$$

## Adding Tens to Two-Digit Numbers

Write each number sentence.

1.

36

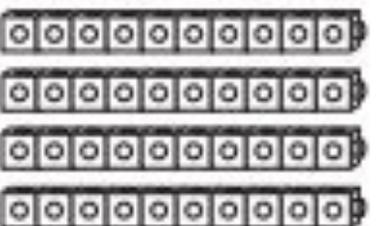

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

2.

54

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

3.

63

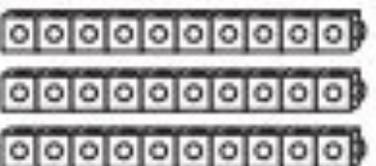

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

4.

47

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

### Number Sense

5. Will has 24 crayons.

He gets 4 more boxes of crayons.

Each box has 10 crayons.

How many crayons does Will have now?

64

(A)

54

(B)

44

(C)

34

(D)

Example of a handwritten  
biography poem.

Mr.

Kind, Honest, Helpful

Who dreams of camping

who wants to learn about  
Fishing

who wonders what it would  
be like in outerspace

who fears big spiders

who is good at making  
camp Fires

who likes looking at stars

who wants to become a  
grandpa one day

Hawkins

# Wednesday 5/13/2020

## Daily Activity Guide

### Reading:

1. Zoom meeting a 10:00am
  - a. Read-aloud Comprehension Focuses: Identify Main idea and details, visualize.
  - b. Ideas for the color poem
  - c. Flip grid word of the week (respect) Why is respect important?

### Math:

1. Complete worksheet (Enrichment 10-3)
2. Hands on math game
3. 20 Minutes of i-Ready

### Writing:

1. Watch Mr. Hawkins video on how to make a color poem. Complete the color poem plan.

# Word of the Week: Patriotism!

Research what respect means at Pebble go.

username= epscwe

password= pgo!

<https://site.pebblego.com/modules/5/categories/5008/articles/5206>

Watch Mr. Hawkins' flip grid video. Then, create your own answering this question; Why is respect important?

## The Missing Tens

The children get points for helping.  
Write a number sentence to solve.

1. Eric had 26 points. He walked the dog for Mrs. Jones. Now he has 66 points. How many points did he get?

$$26 + \underline{40} = 66$$

Eric got 40 points.

2. Marie had 38 points. She fed the baby. Now she has 68 points. How many points did she get?

$$38 + \underline{\quad} = 68$$

Marie got \_\_\_\_\_ points.

3. Sandy had 42 points. She gave the dog a bath. Now she has 72 points. How many points did she get?

$$42 + \underline{\quad} = 72$$

Sandy got \_\_\_\_\_ points.

4. Julio had 23 points. He carried food for Mr. Evans. Now he has 63 points. How many points did he get?

$$23 + \underline{\quad} = 63$$

Julio got \_\_\_\_\_ points.

5. Mike had 17 points. He helped at the library. Now he has 37 points. How many points did he get?

$$17 + \underline{\quad} = 37$$

Mike got \_\_\_\_\_ points.

6. Tamara had 45 points. She helped weed the garden. Now she has 85 points. How many points did she get?

$$45 + \underline{\quad} = 85$$

Tamara got \_\_\_\_\_ points.

# COLOR POEM

## EXAMPLE:

Red

Red is licorice and a strawberry.

Red tastes like fruit punch.

Red smells like roses.

Red sounds like a fire engine.

Red feels like my mom's heart.

Red looks like my bloody knee.

Red

# COLOR POEM

**EXAMPLE:**

My Color	
Things That Are That Color	
Tastes like	
Smells like	
Feels like	
Looks like	
The color	

# Thursday 5/14/2020

## Daily Activity Guide

### Reading:

1. Read 30 minutes
2. RAZ kid 1-2 books
3. i-Ready 10 min.
4. Hands on activity: Roll and Spell

### Math:

1. Watch Mr. Hawkins' math lesson in google classroom.
2. Finish worksheets: Reteach 10-4 while you watch with Mr. Hawkins' video. The, on your own complete Practice 10-4. I included an enrichment worksheet that you can complete if you want.
3. Prodigy

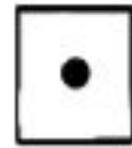

### Writing:

1. Hand write your color poem.

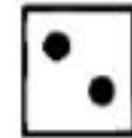

# Roll and Spell!

Name: \_\_\_\_\_

# Math Resources

## 3 Develop the Concept: Visual

### Visual Learning

You have used different ways to add tens.  
You can also use mental math to add tens.  
Find  $23 + 20$ .

21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

How can I add 20 mentally?

How do the blocks help you understand the number 23? [They show the value of each digit in the number.]  
How can you show 20 using place-value blocks? [Show 2 tens rods.]

### Visual Learning Animation

[www.pearsonsuccessnet.com](http://www.pearsonsuccessnet.com) or CD

Adding tens changes only the tens digit.

I know  $2 + 2 = 4$ .  
So,  $23 + 20 = 43$ .

What is the tens digit in the number 23? [2]  
What is the tens digit in the number 20? [2]  
What basic fact do you know that can help you add 23 and 20? [ $2 + 2 = 4$ ]

Add these two-digit numbers.

$$23 + 30 = 53$$

$$23 + 40 = 63$$

$$23 + 50 = 73$$

Remember, only the tens digit changes.

As the second addend increases by one ten each time, how do the sums change? [The sums increase by one ten each time.] Which digit changed in each sum? [The tens digit]

Name \_\_\_\_\_

## Mental Math

Use mental math to add these two-digit numbers:  $15 + 20$ .  
You just need to add the tens.  
Only the tens digit will change.

$$15 + 20 = \underline{35}$$

Add using mental math. Complete the addition sentence.

1.  $32 + 20$

$$\underline{32} + 20 = \underline{52}$$

2.  $28 + 40$

$$\underline{\quad} + 40 = \underline{\quad}$$

3.  $33 + 50$

$$\underline{\quad} + 50 = \underline{\quad}$$

4.  $47 + 30$

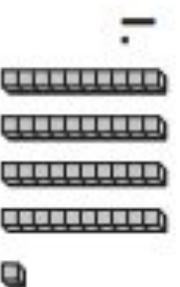

$$\underline{\quad} + 30 = \underline{\quad}$$

5. Add using mental math. Use models if needed.

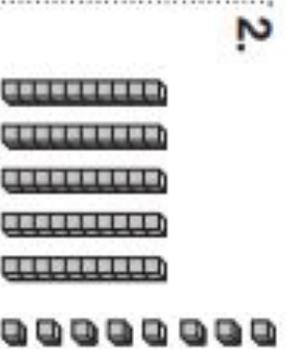

$$56 + 30 = \underline{\quad}$$

**Mental Math**

Add using mental math. Use models if you need to.

and 30

and 20

$$\underline{41} + \underline{30} = \underline{71}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

3.  $71 + 20 = \underline{\quad}$

4.  $65 + 30 = \underline{\quad}$

5.  $40 + 23 = \underline{\quad}$

6.  $60 + 24 = \underline{\quad}$

7. Tanner has 50 star stickers. She has 17 rainbow stickers. How many stickers does Tanner have in all?

47  
(A)50  
(B)57  
(C)67  
(D)

8. Darrin has 27 basketball stickers. He has 30 football stickers. How many stickers does Darrin have in all?

63  
(A)27  
(B)57  
(C)68  
(D)

9. **Algebra** Write the missing numbers that make these number sentences true.

$$40 + 50 = 60 + \underline{\quad} \quad \underline{\quad} = 89 + 10$$

An example of a  
handwritten color poem.

Green

Green is trees and plants.

Green tastes like limes.

Green smells like cut grass.

Green sounds like leaves  
blowing in the wind.

Green feels like a breath  
of fresh air in my lungs.

Green looks like spring  
time.

Green

# Friday 5/15/2020

## Daily Activity Guide

### Reading:

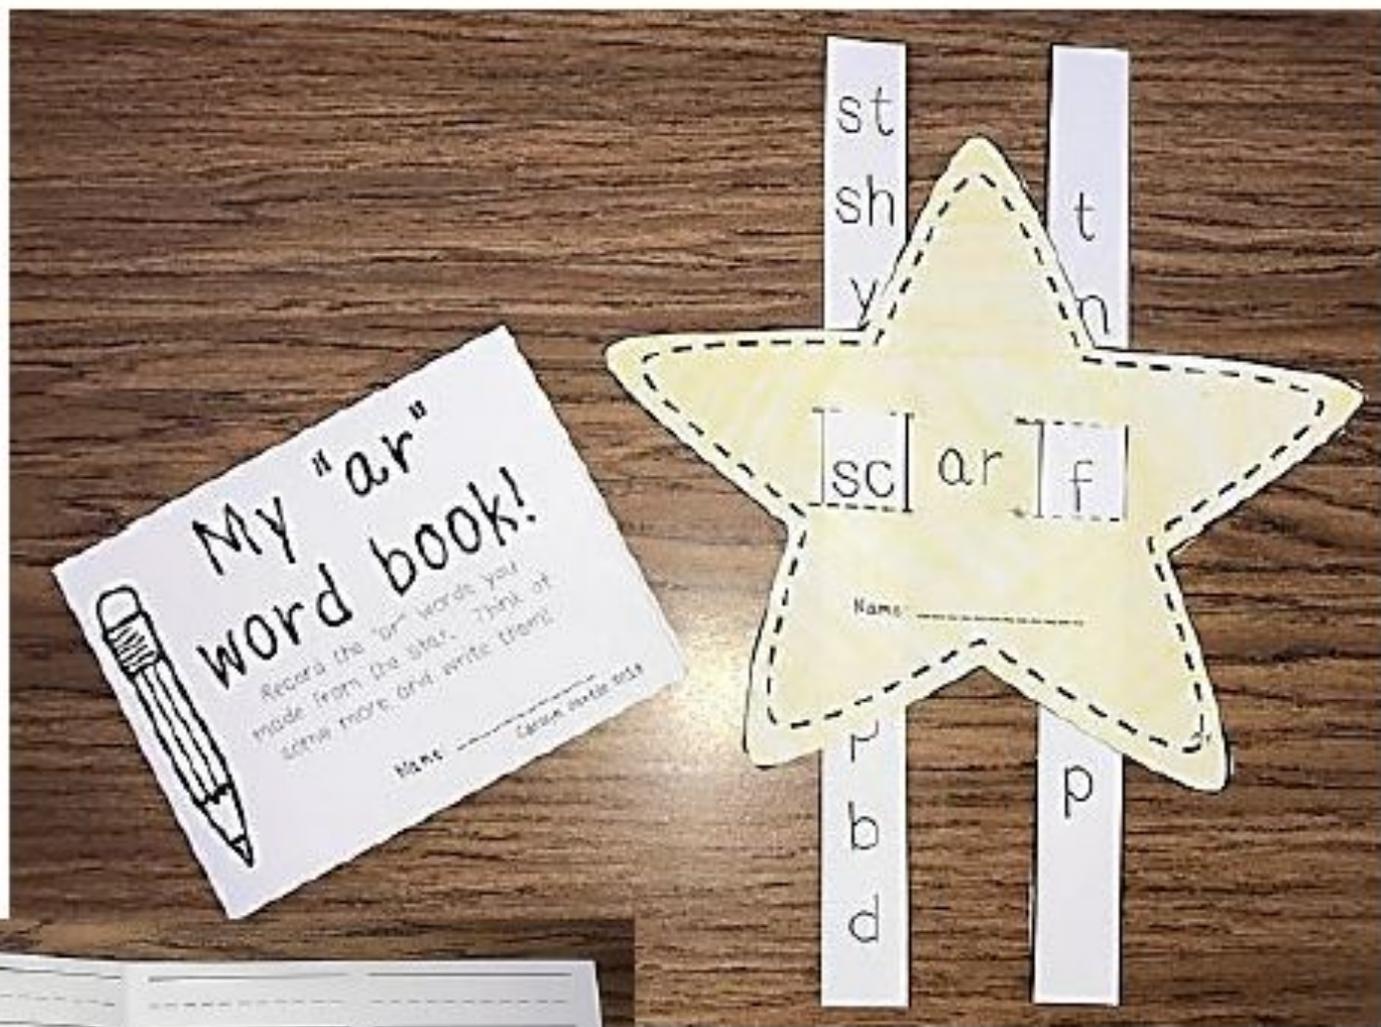

1. 10:00 am - 11:00 am Small Group Zoom Meeting: 20 minutes with 8 students.
2. Read 30 minutes
3. RAZ kid 1-2 books
4. i-Ready 10 min.
5. Hands on activity: My "ar" Word book

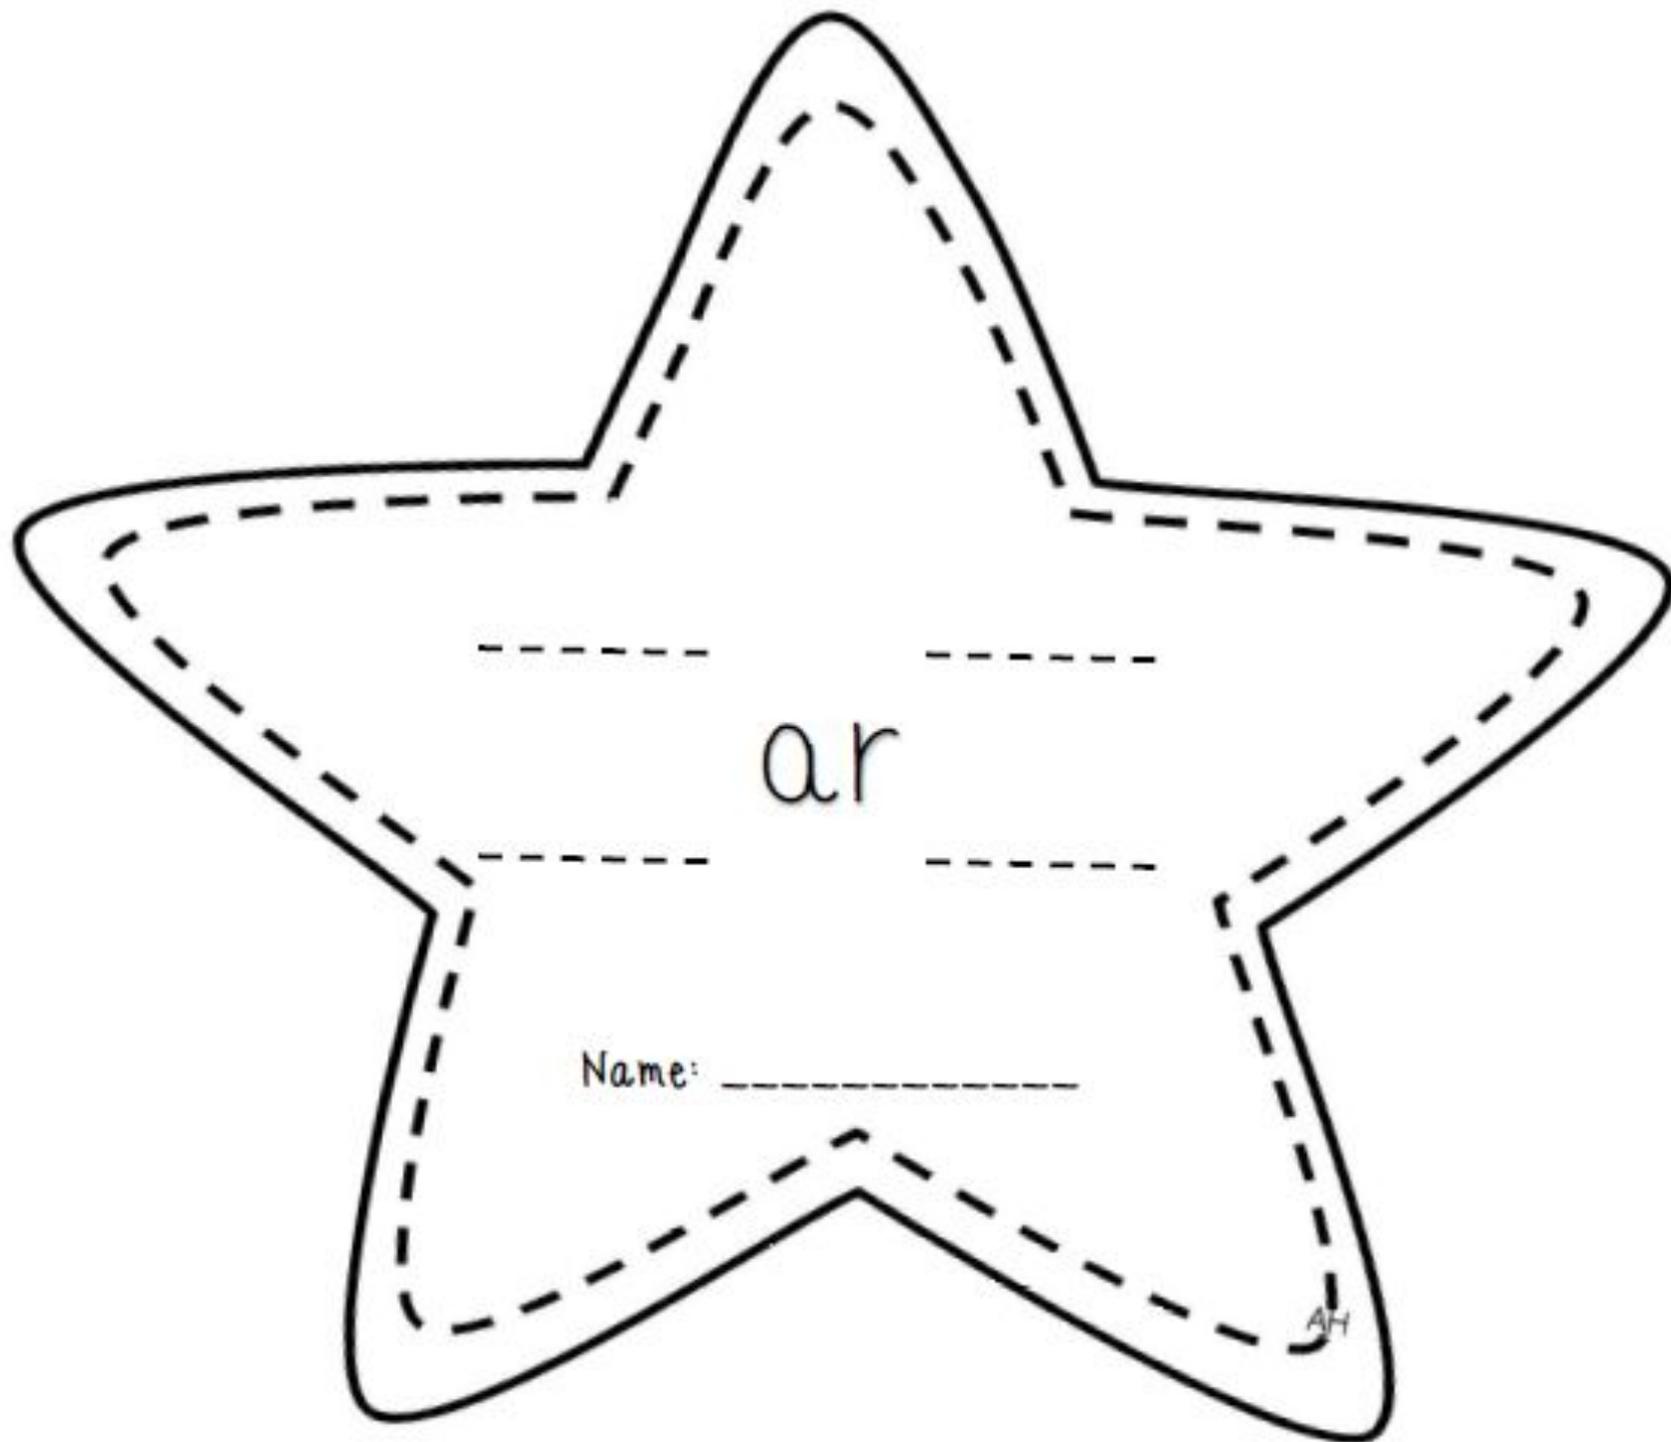

### Math:

1. Complete worksheet (Enrichment 10-4)
2. 20 minutes of i-REady

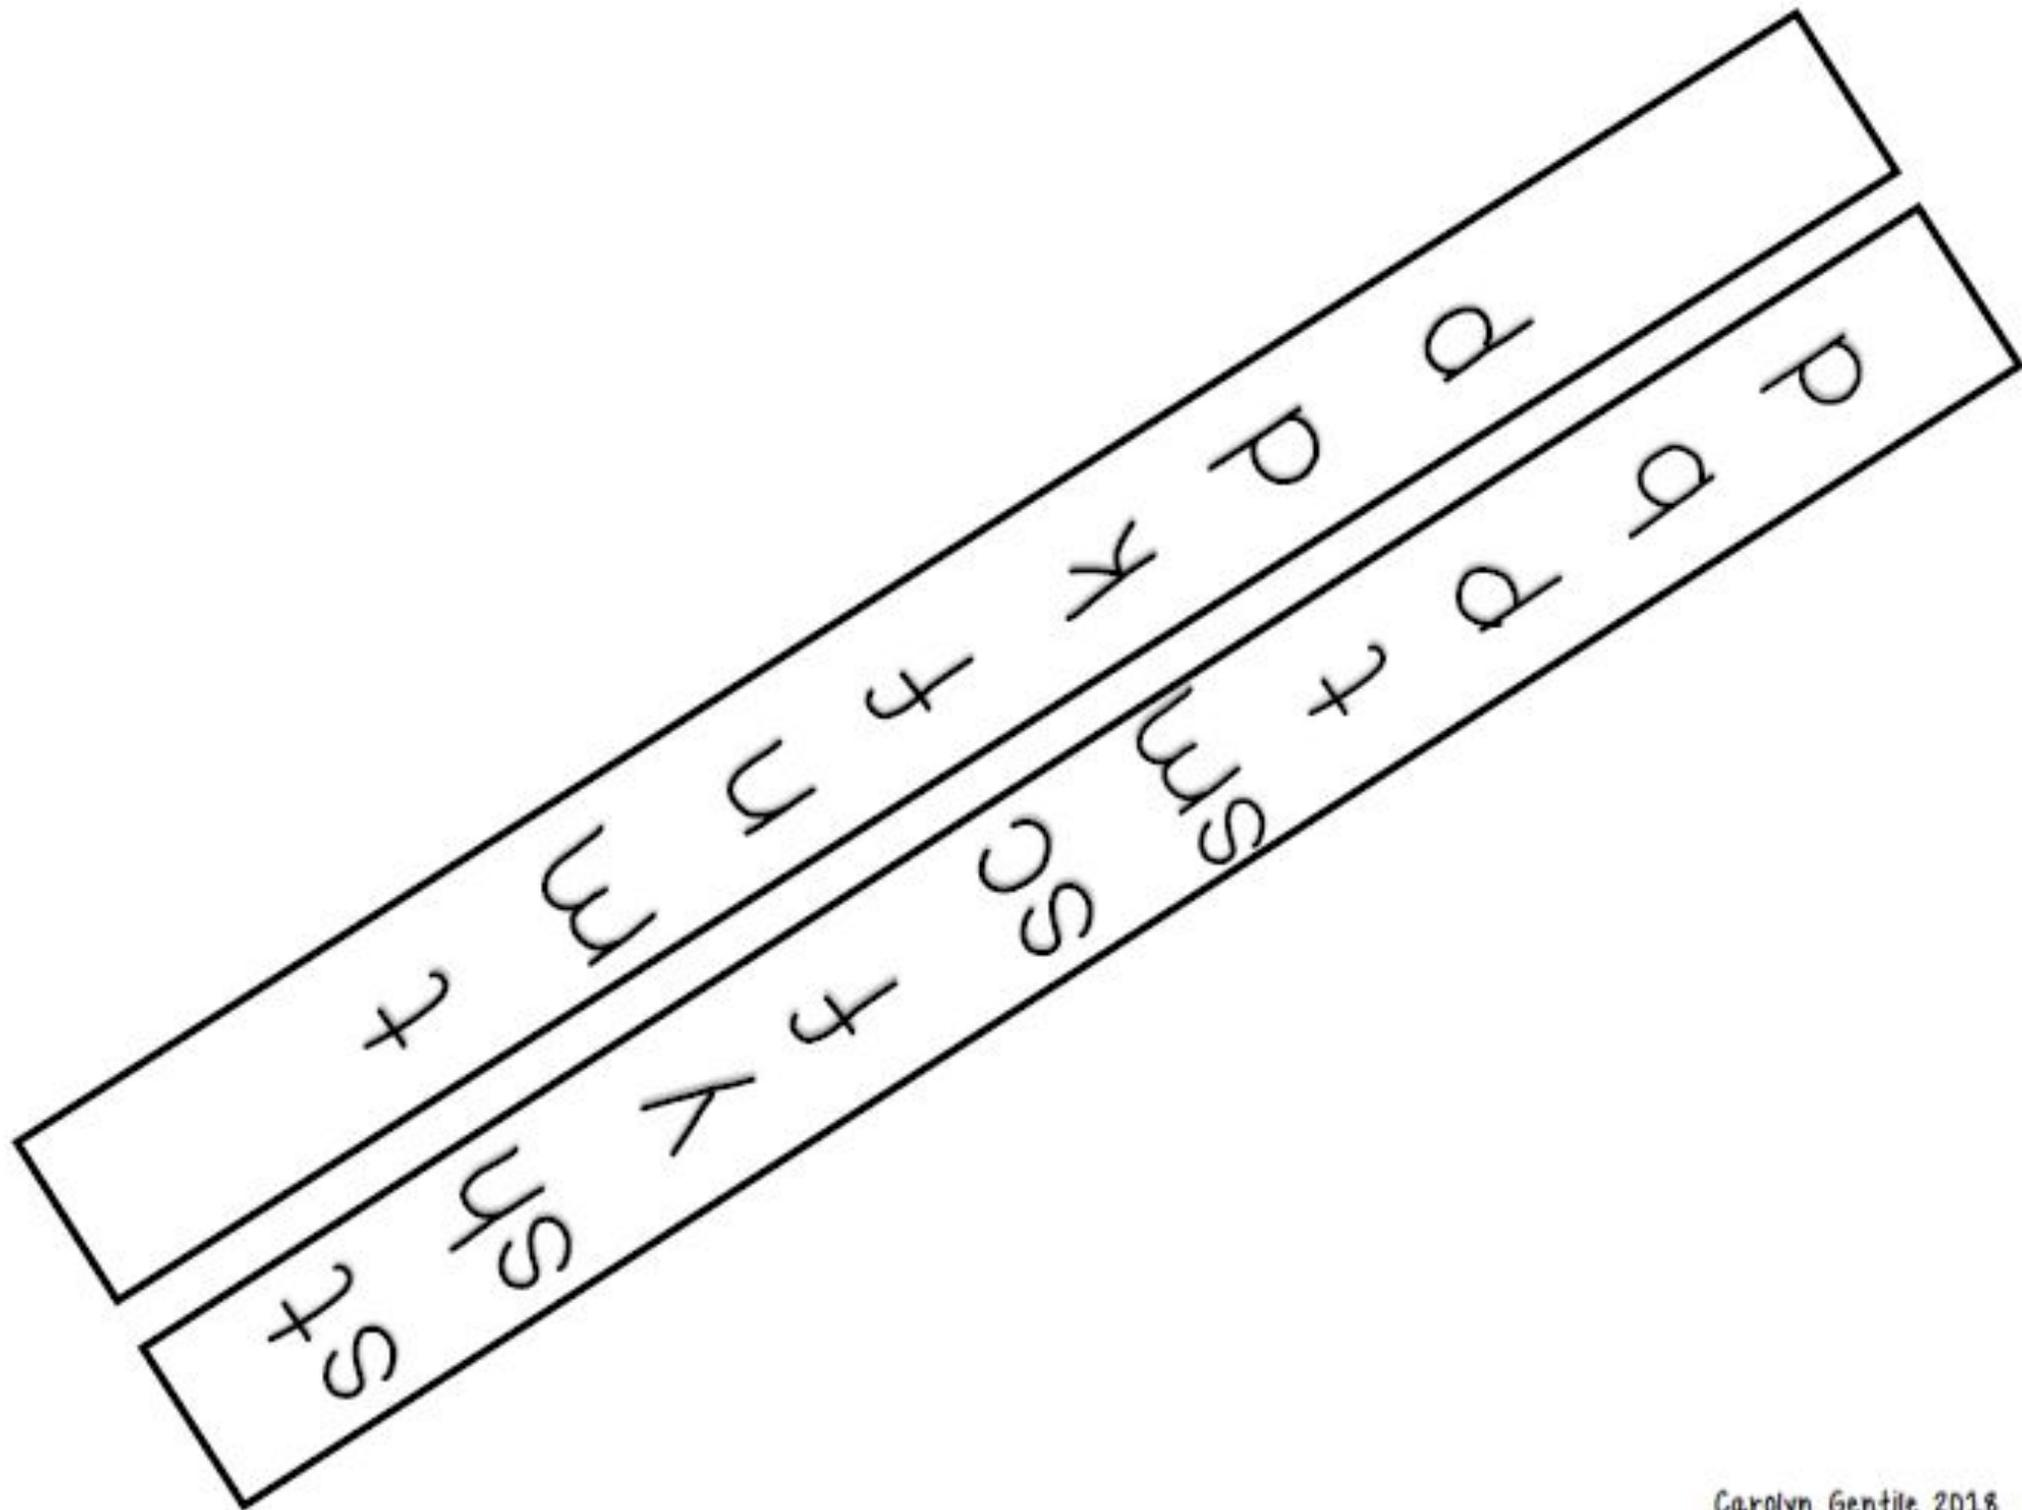

### Writing:

1. Write a cinquain poem.

Name: \_\_\_\_\_

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line, repeated down the page.

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line, repeated down the page.

# My "ar" word book!

Record the "ar" words you made from the star. Think of some more and write them!
