<b>FREE PLAY/CARPET TIME</b> (complete an activity from carpet time pdf)	<b>OT SUGGESTIONS</b> <b>Gross Motor Dance Party!</b> <b>*Chicken Dance</b> <a href="https://family.gonoodle.com/activities/chicken-dance">https://family.gonoodle.com/activities/chicken-dance</a>  <b>*Dance to favorite music!</b> put on your favorite music and model a variety of ways to move: clapping, kicking, marching, tapping knees, etc. You can take turns being the 'leader' / following each other's lead! <b>Fine Motor:</b> Add more rhythm to your dance moves with DIY musical instruments!		<b>Gross / Fine Motor:</b> have your child tear up newspaper and squeeze strips into balls in their hands. Throw tiny balls into makeshift basket / target, like a waste bin or laundry basket. Practice overhand and underhand tossing patterns.  <b>Fine Motor:</b> Make 'shakers' with containers and various small found objects to fill it with!		<b>Gross Motor Dane Party!:</b> <b>*Hokeypokey</b> <a href="https://family.gonoodle.com/activities/hokey-pokey">https://family.gonoodle.com/activities/hokey-pokey</a>  <b>Fine Motor:</b> Make paper plate tambourine / decorate with crayon / marker drawings & coloring!		<b>Gross / Fine Motor: Home Bowling!</b> Use any ball/s such as tennis ball, to roll across floor to knock over homemade bowling pins made from found home items such as plastic containers. <b>Fine Motor:</b> Have your student trace numbers / letters on each sticky note and color within small space on each sticky note that you will then use for the 'matching' bowling game.	
<b>SNACK</b>	<b>SLP SUGGESTIONS</b> <a href="#">Say&amp;Glue Buzzing Bees</a> <b>Speech sounds/words:</b> "buzzzz", "bee", "ow!" (pretend bees sting), "mmm" (pretend to eat honey). <b>Concepts:</b> PUT ON, UP (make bees fly UP before PUTTING ON)		Have your child copy the hand movements as you sing the "Spider" song and model. Help them as needed. Learning to imitate motor actions is a foundational skill for learning other things. Pairing the hand movements with verbal words also helps them learn what the words mean.
