

## Christmas Funk

Christmas Eve, it's ice cold, the stars shine, such bright gold  
Stockings hang for those good boys  
and those good girls – Ya ALL Wildcats!  
Silent, sleeping, dreaming while snow sifts down  
Reindeer fly in the night sky and Santa gets close to town

We've been good (*so good*) Parents want to brag about us  
Been good (*so good*) Teachers want to write home about us  
Been good (*so good*) Say our names, you know who we are  
Been good (*so good*) Got our names on Santa's list  
(written down)

**Girls** wake and shout It's morning! (whoop)  
**Boys** wake and shout It's morning! (whoop)  
**Parents** wake and shout It's morning (whoop)  
'Cause Christmas funk gon' give it to you  
'Cause Christmas funk gon' give it to you  
'Cause Christmas funk gon' give it to you  
It's Christmas day and we're filled with glee  
Look what's under the tree! ***Come on!***

(Ho.....)

Look what's under the tree! (wait)  
Look what's under the tree!  
Look what's under the tree!  
Look what's under the tree!  
Look what's under the tree!  
Ho, ho, ho, ho!

**Stop**, wait a minute  
Fill your cup, put some eggnog in,  
Sit right down next to the tree

## Christmas Funk

Look! That for ME!  
Rip off the bow, tear the paper  
It's just what I wanted  
I'll take it outside, go for a ride  
Fly down the hills and feel free

We've been good (*so good*)  
Parents want to brag about us  
Been good (*so good*)  
Teachers want to write home 'bout us

Been good (*so good*) Say our names, you know who we are  
Been good (*so good*) Got our names on Santa's list  
(*written down*)

**Girls** jump and shout It's Christmas (whoop)  
**Boys** jump and shout It's Christmas (whoop)  
**Parents** jump and shout It's Christmas (whoop)  
'Cause Christmas funk gon' give it to you  
'Cause Christmas funk gon' give it to you  
'Cause Christmas funk gon' give it to you  
It's Christmas day and we're filled with glee  
Look what's under the tree! **Come on!**  
Look what's under the tree! (wait)  
Look what's under the tree!  
Look what's under the tree!  
Look what's under the tree!  
Look what's under the tree!  
Ho, ho, ho, ho!

"Before you leave (*spoken*)  
Let us tell ya a lil' something"
