From the Principal

The last month has flown by – how did it get to be March?! The time from now until spring break is one of our longest uninterrupted stretches of the year, and we are looking forward to all the learning that will happen. We are heading into a busy time of year for school events. Here are ways families can be involved at Jefferson this month:

- **Come to free events:** Family STEM Night is at 6:30 p.m. March 16. Come take part in fun activities focused on science, tech, engineering, and math! The PTA Talent Show is at 6:30 p.m. March 20, and a PTA movie night is at 6:30 p.m. March 27.

- **Attend conferences:** Be sure to set aside time the last week of the month to attend a conference with your child’s teacher. These conferences provide an important opportunity to discuss your child’s progress, and to learn about how you can support learning at home. We will be using the same online scheduling process that we tested in the fall. More information will come out the second week of March.

- **Take our survey:** Educators are constantly asking ourselves how we are doing in our quest to help students become their very best selves. Now, we want to know how you – our community of families – think we are doing. Jefferson, like all Everett Public Schools, is committed to continuous improvement. Each year, we seek your insight to help us create our School Improvement Plan. You are invited to take part in this year’s anonymous survey developed by the Center for Educational Effectiveness, a Bellevue-based research firm, for Everett Public Schools. A paper copy of the survey is coming home soon, or you can take the survey online at [https://www.research.net/r/eps-parent](https://www.research.net/r/eps-parent). You may choose either method to respond. Although the survey is open through April 3, we are asking for paper copies to be returned by March 30. Your opinions are very valuable to us, since you are partners in the education of students.

**Measuring School Improvement Efforts**

Initially released in March 2018 (and last updated in February of 2020), the Washington School Improvement Framework (WSIF) identifies how schools can improve the education of all students. The Framework combines as many as nine indicators (such as graduation rates, attendance, and proficiency on state tests in math and English language arts) into a 1-10 score. The school’s score then determines the state supports for the school to improve. Below is a look at Jefferson’s trend data. We want our numbers to be as high as they can in each part of the bar graph, and we don’t want to see gaps between the data for different student groups. Our data tell us where we need to focus our improvement efforts. For more on the WSIF, and to see other data for Jefferson, visit [https://washingtonstatereportcard.ospi.k12.wa.us/ReportCard/ViewSchoolOrDistrict/102451](https://washingtonstatereportcard.ospi.k12.wa.us/ReportCard/ViewSchoolOrDistrict/102451)

**Around the Corner: SBA/MSP Testing**

Jefferson students in Grades 3-5 will begin this year’s state-mandated Smarter Balanced Assessment testing the last week of April/first week of May. Each grade level will have two days of testing in English language arts and two days in math. Fifth-graders will also take the one-day Washington Comprehensive Assessment of Science. The tentative schedule is below; please mark your family calendars. Although we can provide make-up testing due to illness or emergency, we ask that students be on time each day, and that you avoid scheduling medical appointments or other absences on testing days.

- Third grade: May 7, May 13-14, May 19, May 21
- Fourth grade: May 6, May 13-14, May 20, May 22
- Fifth grade: April 28-29, May 5, May 12, May 15, May 21

Have a great month of March!

*Mrs. Kelley*
Three Must-knows This Month

News from Mrs. Graham, PBIS Specialist

In February’s newsletter, we took a close look at Social Emotional Learning Standard 1, which outlines benchmarks for developing self-awareness of one’s own emotions and how our emotions influence our behavior. Below is a deeper look at closely connected Standard 2, which defines managing one’s emotions, thoughts, impulses, and stress in constructive ways. Jefferson’s Positive Behavior Intervention and Supports program provides students with a nurturing environment to develop these skills and is supported by our Second Step curriculum.

<td>I can gauge the feelings and emotions of others and adapt my behavior by using multiple strategies to deal with my feelings and emotions.</td>

Students can implement strategies to help them deal with strong emotions at school and at home. Some examples may include talking it out, taking deep breaths, writing about their feelings, counting to 10, exercising, walking or running, getting a drink of water, listening to music, or squeezing a stress ball. For ideas on supporting your student’s social emotional development, access this parent toolkit. For more information about Jefferson’s social emotional learning activities or PBIS, please reach out to me at wgraham@everettsd.org.

News from Mrs. Rockwell, Music Teacher

This month in music, we’ll be welcoming spring with folk songs, dances, instruments, and games! We’re also looking ahead to our Grade 1-5 concert at the Civic Auditorium on May 18. Our theme is Music from Around the World, and students are providing information about their family heritage to influence the music that we perform. Watch for the Concert Information tab coming this month on my webpage: https://www.everettsd.org/je-rockwell. Do you have a favorite song from your culture that you’d like to hear at the concert? Please let me know! I’d love to hear your ideas before March 23. Kindergarten families, don’t forget the Spring Sing, happening Monday, June 1, at Jefferson.
Important Reminders from the Jefferson Office

Checking a student out early: When checking your student out early, please remember to have photo ID.

Please note: Release of students to emergency contacts in non-emergency situations requires the express consent of a guardian. Please send a note to school with your student or call the office prior to their dismissal. Persons listed as emergency contacts are authorized to pick up students in the case of emergencies only. It is a parent/guardian’s responsibility to notify emergency contacts that the school may contact them in the case of an emergency.

Absence reporting: The preferred way to report your student’s absence is by emailing JFEattendance@everettsd.org. Please make sure to provide a reason for absence within thirty (30) calendar days of the absence.

Visitors and volunteers: Please remember to sign in and out of the office. A volunteer badge or visitor sticker must be worn and visible at all times.

Vacation-related absences: If you are planning a vacation and your students will be missing school, please visit the office to fill out an absence request form. Please note: Per district policy, we may only excuse up to five days for vacation or travel-related absences per year.

Parking Lot & Other Safety Reminders

The Jefferson parking lot is a busy place, and we are asking that everyone in our community follow procedures to ensure student safety and respectful interactions. Please DO:

- Use a designated parking space, or park at Eastmont Park & Ride, if you want to get out of your car to meet your student.
- Follow the 5 MPH speed limit.
- Pull forward when dropping off and picking up.
- Use crosswalks.
- Follow adult staff and student safety patrol directions.
- Remember that students are supervised until 3:45, and parking spaces and the pick-up line start clearing up about 3:40.
- Volunteer to help – contact the office!

Please DO NOT:

- Park/exit your vehicle anywhere along the curb or on Cadet Way/El Capitan.
- Pull up and wait (without using a parking space) in the parking aisles of the lot.
- Park and wait (or exit your vehicle) in the curb area past the main crosswalk by the office.
- Call your student to walk across the parking lot to meet you on their own.
- Block driveways or intersections in the neighborhood.

Bicycles, scooters, etc.: Per Everett Public Schools policy, students in grades three and above may ride bicycles to and from school. Students must walk their bicycles on campus, wear a helmet, and lock the bike to the rack behind the cafeteria. Skateboards, scooters, roller blades, roller shoes, etc., may not be ridden on district property. The district is not responsible for loss or theft of student property. If a student rides without a helmet, or does not secure their bike properly, bicycles may be confiscated for parents or guardians to come and pick up.

LIF P.E./Gym Rotation

Please remind your student to bring their P.E. shoes on their scheduled days.
