JEFFERSON ELEMENTARY SCHOOL NEWSLETTER

September 2021

VOLUME 5, ISSUE 1

## From the Principal

Welcome back, Jefferson families! We are so excited to have our students and families back in person! ***Our theme for the year is Grow & Glow.***

“Glow” means that everyone has talents and skills, and shares them with others. “Grow” means that we do our best each day, so that we get better with every day. We are already seeing glows from each and every student, and we are taking lots of time to build classroom communities and relationships so that we can help each other grow.

Though we aren't having volunteers at this time, **here are ways you can be involved** in your child's education right away:

- Join PTA by visiting [their website](#), and attend their first general membership meeting on Sept. 20 – see the box at right for details.
- Save the date and attend Curriculum Night coming up on Sept. 23 – more info is coming this week!
- Attend the “Let's Connect!” session – see below for details.
- Sign up for the [Parent Leadership Training Institute](#) – see the flier at the end of this newsletter. The PLTI is a free, 12-week online college course that teaches parents, community members and professionals working with families to understand systems and develop civic, leadership, and public speaking skills. Children 6-12 can participate in an accompanying children's leadership program.

We look forward to working in partnership with our families this year!

## News from the Gym

Hello, Jefferson families! I am very excited to work with and to get to know your child this school year! In P.E., students will learn and refine skills in fitness, motor skills, both physical and emotional health and wellness, as well as social development and cooperation. In the gym setting, we will learn with the safety of social distancing, masks and frequent hand washing/sanitizing. Learning in PE will take place through a lot of movement in fun, engaging activities, games, stations and cooperative work. For your child to be successful and participate fully during PE, please help them to remember to wear athletic shoes for safe movement in the gym (and at recess). It might be helpful to keep a backup pair of gym shoes in your child's backpack. I look forward to helping your child gain social, fitness and sport skills this school year!

**Shauna Rowe, P.E. teacher**

## News from the Music Room

Welcome to another great year in music! My name is Mrs. Rockwell, and I am so happy to be back for my fifth year of teaching music at Jefferson! This year in music, all children will be provided with a mask when they come to music. These masks will be kept safe at school, and will help keep us all safe and healthy as we play, sing, and dance together this year. I will be updating our music Canvas course frequently. There, you'll be able to explore what we're learning in music and view lesson materials if you'd like to explore music at home. It has been so long since we have been able to make music together, and I am so excited for the year!

**Debrah Rockwell, music teacher**

## Strategic Plan refresh

The Everett School district has a refreshed strategic plan for 2021-26. This ambitious, exciting and comprehensive effort will guide Everett Public Schools for the next five years and aims to bring everyone together to meet the needs of all students. The mission, vision and core values remain unchanged.

**Mission** – To inspire, educate and prepare each student to achieve to high standards, contribute to our community and thrive in a global society.

**Vision** – Our students will lead and shape the future. They will be well-rounded, healthy and flexible thinkers with a global perspective who can access resources and collaborate. They will demonstrate empathy, pride and advocacy for self, school and community while

respecting the diversity and worth of others. They will acquire the knowledge, attitudes and skills to adapt to the emerging needs of a changing world.

Six **Priority Student Outcomes** are agreed upon targets for 2021-26 and will be achieved through six strategic priorities.

Each **Strategic Priority** has initiatives created for the first year of the strategic plan. These 2021-22 initiatives will help meet the theme goals which will ultimately help the district achieve our Priority Student Outcomes. Each initiative is assigned a sponsor, an owner and team members. Follow Strategic Plan progress at <https://www.everettsd.org/StrategicPlan>

## 2021-22 Calendar

The 2021-22 calendar was part of our contract negotiations this year and was ratified in late August. The Student Art Calendar will be distributed through your student's school when it is available in late September.

## Meals free 2021-22 school year

Along with returning 100% in-person this fall, we are also able to continue serving FREE meals to all children until June 30, 2022! Free meals are available this school year for all on-site students! The meal program is federally funded, and meal costs are reimbursed by the USDA. To find out the menu for breakfast and lunch at your student's school, please visit the food and nutrition website on [everettsd.org](http://everettsd.org).

**Families who qualify for free and reduced meals should still complete an annual application form.** Approved free and reduced applications help fund other programs and can also help waive other fees for your family. Applications are available online or at your student's school.

## Attendance procedures

We look forward to seeing your child at school every day. Regular school attendance is important, and we will work with you to ensure your child is present to benefit from an excellent education. If your child is absent, please email the school at their attendance email address, which you can find on the school website. If email is not possible, and even if you leave a message with the school attendance line, please send a written note to the school office within 30 days after your student returns to school.

## 2021-22 Immunization Records

As of August 1, 2020, a change in state immunization rules has affected two areas of immunization compliance:

- The definition of "conditional status" has been clarified. **Students must turn in their immunization paperwork on or before the first day of in-person learning.**
- All new immunization records from students need to be **medically verified**.

A medically verified record includes one or more of the following and can be submitted by email to

[EPS.BuildingRN.MailList@everettsd.org](mailto:EPS.BuildingRN.MailList@everettsd.org):

- A Certificate of Immunization Status (CIS) printed from the Immunization Information System
- A physical copy of the CIS with a healthcare provider signature
- A physical copy of the CIS accompanying medical immunization records from a healthcare provider verified and signed by school staff
- A CIS printed from your MyIR account.

## What Every Parent Needs to Know video series

The Everett PTSA Council collaborated with Everett Public Schools staff and Washington Family Engagement to develop video resources for families that provide fundamental information to navigate school systems, advocate for their student(s), and actively participate in public education.

The project of five videos, entitled "What Every Parent Needs to Know," provides an overview of topics that parents felt were essential for building a foundation for authentic parent and family engagement. Video topics include: Student Education Rights, Get Engaged in Your Children's Education, What to Do About Bullying, Advocating for Your Student, and Understanding Public Schools.

The initial material was created by Washington Family Engagement and further reviewed by parent and community groups, as well as Everett School District staff, to ensure accuracy, relevancy, and access. The videos were recorded by various district staff and are available on the district's Parent University webpage, with translations recorded and available in Spanish, and subtitles in Russian, Vietnamese, and Arabic.

## Care Solace resource

Everett Public Schools fosters a culture that promotes the health, safety and well-being of students, parents and staff. To continuously support this commitment, the district has partnered with **Care Solace**. Care Solace is an [online resource](#) with a live 24/7 concierge meant to assist individuals in finding local mental health-related

programs and counseling services. Care Solace is a tool for school staff and families to connect with community-based mental healthcare resources and providers. Their proprietary care navigation system taps into a vast database of mental healthcare resources to find carefully vetted local therapists and programs in minutes. Care Solace is available for use by district families and staff at no cost.

## New assistance icon on website

The district's main webpage has a new icon, "report/assistance," with resources and assistance for students and families on:

- Suicide prevention
- Crisis support
- Eating disorder help
- Substance abuse help
- Report safety concerns
- Report harassment

### Assistance

## ECEAP preschool accepting applications for 2021-22

Everett Public Schools Early Childhood Education & Assistance Program (ECEAP) is a FREE preschool program for three- and four-year-old children from families with limited income. ECEAP prepares children for kindergarten and provides family support and health and nutrition services. It is funded by the Washington State Department of Early Learning. The six ECEAP sites within our school district are Cedar Wood, Garfield, Hawthorne, Lowell, Madison, and Silver Lake elementary schools. Space is limited – apply early! For an application or more information, please visit the [district ECEAP website](#) or call 425-385-4628.

## Kids in Transition program

The Kids in Transition (KIT) program supports students who qualify as homeless under the federal McKinney-Vento Homeless Act. Students without a fixed, regular, and adequate nighttime residence may qualify. The KIT program works to eliminate barriers to students' academic success and extra-curricular involvement. We ensure students experiencing homelessness have access to free school meals, school supplies, and uniforms. KIT can help students access extended day or summer school classes and provide access to tutoring when needed. The KIT Program can also cover fees required to take part in activities such as school-sponsored sports, clubs, and required class fees. KIT transports eligible students to maintain school stability, as long as the commute is in the best interest of the student. Last year, Everett Public Schools served over 1,100 homeless students at some time during the school year. For more information, visit the [KIT website](#) or contact the KIT Program at 425-385-4032.

## Backpacks for students in need

Do you know a family who might be in need this year? Stuff the Bus for Kids ensures each child in Everett Public Schools starts the school year prepared to learn. In August, the EPS Foundation delivered over 2,000 backpacks, filled with school supplies, and are making them available to any Everett Public School student who may need extra assistance. Students in need of a backpack, please reach out to your school to receive your supplies. Backpacks are available for pick up at each school.

## Student opportunities and activities eflyers

We use *Peachjar* to email approved flyers from community organizations to parents and guardians. Schools also post those flyers on their websites. Look for the Peachjar button in the *Quicklinks* section of your school home page to see those flyers. You can also register there to have those flyers delivered to your email address if you aren't already receiving them.

## Safety tip line

Do you or your student have a concern about someone experiencing bullying or harassment? **Report it!** You can talk directly with your school's office or you can call, text or email your concern. If there is reason for concern about safety on a designated walkway to school, call 9-1-1 immediately for authorized, quick help. We have strong partnerships with local law enforcement who share our interest in safe schools and neighborhoods. Student safety is a priority for all of us. Working together, we can help make our neighborhoods and schools nurturing places for students to safely learn and grow.

## Access to public records

District records are public records. Parents and other citizens have the right to ask to view or have copies of records defined as “public” under state and federal laws. These include parents’ and legal guardians’ student’s records and records about discipline of school employees. The district’s general counsel office handles public records requests. Request records by writing to that office at PO Box 2098, Everett, WA 98213, sending an email request to [publicrecords@everettsd.org](mailto:publicrecords@everettsd.org), or calling 425-385-4150.

## Your student’s records are confidential

Everett Public Schools is serious about protecting student records and privacy. The district uses multiple security measures to safeguard student transcripts and other education-related records. Only those teachers, administrators and other staff members who work directly with students (and have an educational need to know) have access to individual student records. Staff members are required to maintain confidentiality of all information in a student’s records.
