### Weekly Learning Guide

**Week of:** 6/15 – 6/19

#### Reading:

1. Have students listen to this shared read, “Scardy Squirrel.”
   [https://www.wevideo.com/view/1744585131](https://www.wevideo.com/view/1744585131)

2. Create Your Own Campsite Map:
   Have students create their own campsite map like in our story. Students can use a separate sheet of paper or the link below to help create the map. Once it is finished have students share their map on Flipgrid.
   - [Campsite Map](https://flipgrid.com/5bfe34c7)
   - Optional: Kids can draw their own camp outfit like in the story. Link below for worksheet.
   - [Wilderness Outfit Worksheet](#)

3. iReady Time: Reading (15 to 20 Mins)

### Reading:

1. Phonics Camping Sheet:
   Have students work on a compound sheet, they will be putting two words together to make one compound word. Students can answer on the link below or a separate sheet:
   - [Compound Word Worksheet](#)

2. Watch the shared Read, “A Camping Spree with Mr. Magee.”
   - [https://www.wevideo.com/view/1744619036](https://www.wevideo.com/view/1744619036)

3. Reading Comprehension:
   Have students complete this worksheet on the link below or a separate sheet of paper.
   - [Cause and Effect Worksheet](#)
   - Mrs. Gray’s Example:
     Last Summer Letter Example:
     - [Letter Example](#)
     - This Summer Letter Example:
     - [Letter Example](#)
   - Letter Template:
     - [Letter Template](#)

4. iReady time or Reading iReady Assessment - Have kiddos either finish up their assessment or complete some time on iReady.
   (15 to 20 min’s)

### Reading:

1. Watch the shared read, “Our Great Big Backyard.”
   - [https://www.wevideo.com/view/1744654190](https://www.wevideo.com/view/1744654190)

2. Now that kiddos have listen to the shared read have kiddos write a letter 4 to 8 sentences long about what they are excited for this summer. Of summer memory they have had. They can write the letter to anyone they would like, just telling them about their summer. Example Below.

   Mrs. Gray’s Example:
   - [Last Summer Letter Example](#)
   - [This Summer Letter Example](#)

3. iReady Time:
   - [Reading](#) (15 to 20 Mins)

### Reading:

1. Have Students watch this silly video of how to set up a tent.
   There are three steps they need to take to put them together. We are solving the problem of needing a shelter.
   - [How to Build a Tent Worksheet](#)

2. Once they watch the video have students fill out this worksheet as well as draw pictures to match of how to set up a tent.
   - [How to Build a Tent Worksheet](#)

3. Now it is your Turn! Build your own shelter, solve the problem of how to create the best shelter! Students may use the link below or a separate sheet of paper.
   - [Build Your Own Shelter](#)

### Reading:

1. Phonics:
   Have students fill out the worksheet below for a short but fun phonics practice. Students can complete the work on a separate sheet of paper or the sheet linked below.
   - (Secret word: Fireplace)
   - [Phonics Sheet](#)

2. Poem Time:
   Have kids read the poem below. Have them point out the rhyming words while they are reading or singing the poem.
   - [Poem](#)

3. Optional: Kids can draw their own camp outfit like in the story. Link below for worksheet.
   - [Wilderness Outfit Worksheet](#)

<td>More or Less Worksheet</td>
</tr>
<tr>
<td>1. Have students complete the bar graph by counting the pictures and graphing the amount of pictures. Then answer the question on the bottom on the page.</td>
<td>Smore’s or Less Math Use the sheet to subtract from 10 (you will need 10 marshmallows) If you do not have the worksheet. Marshmallows crumple up 10 small pieces of paper or cut out the paper marshmallows from the worksheet. <strong>more's Math Sheet.</strong></td>
<td>Using Campers, tally each camper and sign in the right-hand chart. Create a bar graph to show your data in the left-hand chart. When your graph is complete, answer these questions orally or in writing. 1. How many more votes did one have than the other? 2. How many girl campers are there? 3. How many campers in all? Make up a question ABOUT your graph.</td>
<td>Measure the lengths of fish. <strong>Measuring Fish</strong></td>
<td>1. Have students fill out on the paper linked below or on a separate sheet of paper, completing the more or less activities.</td>
</tr>
<tr>
<td><strong>Quick Break (If Needed):</strong> <a href="https://vimeo.com/398427511">https://vimeo.com/398427511</a> 1. Watch this Mind Yeti to help refocus! 2. Head outside and get some fresh air if sunny!</td>
<td><strong>Quick Break (If Needed):</strong> <a href="https://app.gonoodle.com/">https://app.gonoodle.com/</a> 1. Have your student choose any fun GoNoodle from this link! 2. Head outside and get some fresh air if sunny!</td>
