## Welcome to Fifth Grade

Welcome to fifth grade, online. I am excited to work with you and your child this year. 5<sup>th</sup> grade is a time of enormous growth and transitions. I am here to support and encourage your child through this exciting time.

## Our Goals This Year:

- having a positive mindset for learning
- trying our best every day
- continuing to foster a sense of personal responsibility and citizenship
- reach academic grade-level standards

## Online Learning Expectations

- Find a quiet spot to work, free of distractions.
- Wear appropriate school clothes.
- Eat and drink before the meeting, or during a break.

- Arrive on time, with a charged device, ready to learn.
- Be prepared with appropriate materials.
- Enter meeting with microphone muted and video on.
- While in meeting, raise hand to speak.

- Actively participate and use whole body listening.
- Stay on task and appropriate screen.
- Use chat space appropriately, only when directed by teacher.
- Stay in seat and focused.

- Do your best on independent work assignments. Read directions, work carefully and check your work.
- Complete and submit assignments on time.

## Lowell's Motto:

I work hard.  
I show respect.  
I make good choices.  
I am a Lowell Leopard.

## PBIS

Our shared purpose is to ensure Lowell is a safe, caring and inclusive community of learners. We will guide each student to develop the academic and social skills necessary to be mindful and successful.

We will be teaching behavioral expectations and rewarding students for following them. This positive approach will be continued with online learning.

## Communication

All information will be sent home by email or posted in Canvas. Remind messages and other emails are also a great way to stay informed.

## School Pride

We are the Lowell Leopards. To show our school pride we ask staff and students to proudly wear our school colors of blue and white every Friday.

## Canvas

Students will be working in Canvas this year, instead of Google Classroom. Check out the [district site](#) for helpful information.

## Homework

- Read for 30 minutes a day.
- Practice your math facts— more details to come about Reflex Math.
