# Grade 4 Music Scavenger Hunt

Cross off each box that you are able to complete while you are out of school. See how many you can do!

Teach a family member a dance you learned from the Dance Man.	Create a rhythm using only things you find in your bedroom. Teach it to someone else.	Read a book and make up an ostinato ( <i>a pattern that repeats</i> ) to say while you turn the page.	Write down an 8 beat long rhythm using music notation.	Make up a silly song about the worst food ever.
Pick 5 different colors. Draw shapes that represent different sounds. Perform your creation.	Turn on your favorite song and have a dance party.	Create a body percussion piece using stomps, pats, claps, and snaps.	Read a book and use your toys to re-tell the story.	Write a song about what you did this morning.
Listen to a song with no words. What do you like about it?	Create a rhythm that uses 16th notes and say it 4 times in a row.	Sing a song in your head and walk on the steady beat. See how far you travel.	Make up an 8 beat long rhythm using only the names of objects in your kitchen.	Read a picture book and make up a song for the main character.
Figure out how to sing Mary Had a Little Lamb using solfege. (Do, Re, Mi, and So). It starts on Mi.	Find 10 things in your house that make sound. Invent a way to categorize them.	See if you can sit silently for 5 minutes and write down all the different sounds you hear.	Take a walk and write down 10 things you hear that make sound.	Sing each note of the musical scale as you walk up or down your stairs. Do, re, mi, fa, so, la, ti, do
Sing a short song you know 5 times, a little higher each time, then a little lower.	Clap the rhythm to "I Lost the Farmer's Dairy Key". See if you can write the whole song using rhythms we learned in class.	Make a list of 10 ways life would be different if music didn't exist.	Build an instrument and play a song on it. Look for tutorials online.	Teach your whole family how to play a singing game we learned in class.
