

Name: _____

Kindergarten Music Scavenger Hunt

Cross off each box that you are able to complete while you are out of school. See how many you can do!

Pretend you are a tiny elf and tiptoe through your house without being noticed.	Draw a picture that shows your favorite song. See if someone can guess what it is.	Sing a song you know about numbers or counting.	Set up your toys and sing them a song.	Use building toys like blocks or legos to make a hand and low song. Sing for a family member.
Use your stuffed animals to perform a counting song.	Set up your toys and show them your favorite dance moves.	Sing a new version of Old MacDonald using only animal toys from your house.	Have a dance party.	Have an adult time you and see how many different sounds you can hear in one minute.
Make an instrument out of things in your kitchen.	Try to sing as many songs as you remember from music class this year.	Make up a song about food.	Sing an echo song for a family member.	Teach a family member the clapping game for Miss Mary Mack.
Find a nursery rhyme or song in one of your books.	Make a pattern using 4 different foods. Say their names out loud to a steady beat.	Sing a song about colors.	Make up a rhyme about your family.	Create a rhyme about washing your hands. Make sure it has actions too.
Build a tall tower and see if you can make your voice ride an elevator to the top and back down.	Pretend you are a giant shrinking into a tiny gnome.	See how many minutes you can play without making any noise.	Play the game "Beat or Not a Beat" with a family member.	Listen to a piece of music and keep the beat in 8 different places on your body.
