

MAKE-N-TAKE: WISH YOU WELL BOARD

INSTRUCTIONS: Cut out and laminate the “Wish You Well” label and heart below and attach with clear tape or clear contact paper to the center of the Wish You Well board. Laminate individual pictures of the children and teachers in the classroom and attach with velcro to the outside border of the laminated cardboard, cookie sheet, etc. After attaching the heart to the board, place some velcro pieces inside the heart to attach photos of the absent children or teachers. Wish them well and welcome them back when they return.

WISH YOU WELL

*“We wish you well. We wish you well.
All through the day today, we wish you well.”*
