Greetings, Mill Creek Families!

Today is the day your children were given their Progress Report to pass along to you. Please make time this weekend for a meaningful and constructive talk about their growth from the first half of the school year. What goal(s) will they set and work toward for the second half of the year?

This week's Friday Family Update is devoted to a review of parking lot rules established several years ago, following a City of Mill Creek traffic and parking lot study, to establish procedures that maintained safety and efficiency for all. Though most school parking lots are notoriously challenging, we can all help ours work smoothly by being aware of and adhering to our rules. Thank you for your support.

Parking Lot Reminders During Arrival and Dismissal

WHEN ENTERING:

1. **"Kiss and Go" Lane:** All cars coming from 35th Avenue MUST drive *past* the front entrance of MCE, turn around, cue up into the line of cars and *wait their turn* to enter the Kiss and Go Lane. You may not make a left turn into the Kiss and Go Lane.
2. **Parking Lot:** Cars coming from *either* direction on 148th St. SE may turn into the parking lot but may not enter or park in the "Staff" designated section, since this is also a Bus Zone.
3. **Student-Drop-Off:** Students may **ONLY** be dropped off in the "Kiss and Go" Lane. Cars may **not** drop students off in the parking lot. Cars *must* park and adults *must* escort students to the sidewalk.

WHEN EXITING:

1. **ALL vehicles MUST turn RIGHT** out of the parking lot, during morning arrival and afternoon dismissal. There are no left turns and no exceptions.
