Greetings, Mill Creek Families,

Our students and staff have all shown great respect this week for the right of each student and staff member to choose whether or not they will wear a mask at school, during our first week of optional mask wearing. We are proud of our entire school community!

Multicultural Night is Next Thursday, March 24: Please Join Us!

This is one of our favorite PTA events of the year because it is always so uplifting, educational and celebratory! Join us in the school cafeteria between 5:30-7:30 to see tables and/or traditional dancing from Japan, China, India, Nepal, Korea, Mexico and more. The more we know about and understand each other, the more we can value the ways we are different as well as the same.

Thanks to our PTA for This Week's Virtual Assembly from Taproot Theater:

This week our students all got to watch a virtual production from Taproot Theater with a focus on bullying. Students learned how to recognize, report and refuse bullying as well as how to be part of the solution. It was a high quality performance that engaged all our K-5 students, and perfectly complemented the Second Step unit on bullying that our counselor, Mrs. Vaillant taught in all grades. Thanks PTA!

Only Two Weeks Left to Complete the School Stakeholder Survey:

There are only 2 weeks left to take the Family School Stakeholder Survey! Please take time to complete this anonymous, multiple-choice, online survey, available in 6 different languages. Information about the survey is posted on our school website and the link can be accessed here:

<https://surveys.panoramaed.com/everett/family22/surveys?language=en>

If you have more than one student in Everett Public Schools, plan to complete a survey for **each** school that your children attend, so each school can benefit from your feedback. Your feedback matters and helps us know how to get better.
