Greetings, Mill Creek Families!

Next week is the last full week of school and things are busy around here! Last week our Family Friday Update summarized all the important dates and happenings for the remainder of the year. You can reference that here: [MCE End of the Year Information](#)

Revision to Chromebook Return Guidelines

Due to multiple requests, our district has revised the end of year chromebook return policy: Any family who would like their child/children to work on i-Ready over the summer may KEEP their chromebook. We encourage all our families to make this a priority to prevent the “summer slide!” Just 20 minutes every day can make a big difference. In addition, 5th grade students enrolled in Middle School summer school should KEEP their chromebook, as it will be needed in summer school.

Recess Gets a Facelift!

Our wonderful student supervision para-educators have worked purposefully in the last month to add new and exciting activities at recess to ensure that every child can be engaged in fun, constructive ways and we can build a culture of belonging for all. Ask your child about the changes and hear what they have to say! Sometimes even our paras are having so much fun they don't want to come inside when recess is over!

Have a wonderful week!

Warmly,

Brenda Fuglevand, Principal bfuglevand@everettsd.org
