Dear Timberwolves,

As our school continues to grow, our number of parking spaces remains the same. In order to allocate parking spaces in a fair manner, we are instituting a lottery process. The lottery process assigns an impartial, randomly generated number to each student and ranks the numbers in order from lowest to highest.

Seniors may choose to participate in either the main lot or upper lot lottery whereas juniors who do not have a 0-period class may only participate in the upper lot lottery. 0-period juniors and seniors will have priority in the main lot. Should additional spaces be available in the main lot, juniors with the lowest lottery numbers will have the opportunity to pay the \$20 fee difference and obtain a parking space in the main lot. The attached paperwork provides information about the lottery and parking in general.

Students may pay the parking permit fee, making them eligible for the lottery, on the following dates during the specified times: June 19 – 22 from 7 to 7:30, 2:05 – 2:30, and during lunch, August 14, 16, 18, 21, 23, 25, 28, and 30 from 9 am to 1 pm. All students who pay the parking permit fee will be entered into their respective lottery.

The cost of parking permits are:

Main Lot Parking Spaces (Numbers 1 - 309):	\$50
Upper Lot Parking Spaces: (Numbers 310 – 415)	\$30

When paying the parking permit fee, students must have the following paperwork prepared to submit:

- 2017 – 2018 Jackson High School Parking Contract
- 2017 – 2018 Student Vehicle Registration
- A Current Driver's License
- Proof of Insurance

Please contact us should you have any questions.

Thank you,

Niki Cassaro

2017-2018 Student Parking Permit Contract

Welcome back T-Wolves! This new school year brings with it a few changes to student parking at Jackson High School, specifically the use of a lottery process. Please read the information in the contract below and sign at the bottom, indicating you understand your rights and responsibilities.

Lottery Process

Students in grades 11 and 12 may pay the fee for a parking permit. All students who pay the fee for a parking permit will be entered into a lottery to obtain an assigned parking spot in either the upper or the main lot. All seniors and junior students taking a 0-period class will be given preference in the main lot. A lottery will be conducted prior to the first week of school to determine parking space assignments. If the number of student parking permit requests are greater than the spaces available, students will be placed on a waiting list based on their lottery number. *See the attached chart for a more detailed explanation of the lottery process.*

Students may pay the parking permit fee, making them eligible for the lottery, on the following dates: June 19 – 22 from 7 to 7:30, 2:05 – 2:30, and during lunch; August 14, 16, 18, 21, 23, 25, 28, and 30 from 9 am to 1 pm.

Assigned Student Parking

Students who buy a parking permit will be assigned a numbered parking space. The cost of parking permits follows.

Main Lot Parking Spaces (Numbers 1 - 309):	\$50
Upper Lot Parking Spaces: (Numbers 310 – 415)	\$30

Students without a permit, staff, substitutes, parents, and visitors are not permitted to park in student spaces during the school day, 30 minutes before school hours, and 30 minutes after school hours.

Assignment of Parking Spaces

Parking spaces will be randomly assigned and hangers will be ready for pick-up on the first day of school, September 6th in the ASB office before school, during lunch, and after school. Parking will be enforced beginning on Monday, September 11th.

Rights and Responsibilities

Students who purchase a parking permit have the right to park in their assigned space during school hours and the responsibility to obey all posted signs and traffic rules. Students also have the responsibility to make sure their hanger is hung on their rear view mirror and is clearly visible from outside their car. They are also responsible for parking only in their assigned space and making sure they are parked within the white lines of their space. Students are also responsible for arriving to school on-time and attending classes. If a student has five unexcused absences, his or her parking permit will be pulled for two weeks. After eight unexcused absences, the student will lose his or her parking permit for the rest of the school year. Chronic tardiness may also result in the loss of the parking permit. Refunds will not be given for parking permits lost due to attendance issues.

Violations

Any student who fails to display a proper hanger that is visible from outside the car, parks outside the white lines of their assigned space, or parks in a space other than their assigned space will be ticketed. This includes all reserved spaces, all designated staff and visitor spaces, and all spaces associated with Heatherwood Middle School. Students with multiple parking violations will have their pass revoked without a refund and be denied the right to purchase a parking pass for one year. ***We will begin enforcing the parking policy on Monday, September 11th.***

Space Occupied by Another Car

If another car parks in your space, you should park near the Heatherwood tennis courts in the spaces numbered between 700 and 722. Write down your license plate number and the space number and report this to the main office. This will prevent you from getting a ticket. We will ticket and/or tow the car parked in your space.

STUDENTS ARE NOT PERMITTED TO PARK IN THE FOLLOWING AREAS

Staff Parking

Staff who work at Jackson High School are required to park in designated staff areas. These spaces are numbered in the 500's in the front of the building and 600's in the back of the building. A staff parking permit is required to park in these spaces. ***Students, parents, and visitors are not permitted to park in spaces designated as staff only during school hours, 30 minutes before school begins, and 30 minutes after school ends.***

North Staff/Visitor Parking Lot

The small lot north of the tennis courts (numbered in the 500's) is also open to staff and visitors. Visitors who park in this lot should report their license plate number and space number to a secretary in the main office to avoid a ticket. ***Students are not permitted to park in these spaces during school hours, 30 minutes before school begins, and 30 minutes after school ends.***

Reserved Parking

These parking spaces are reserved for specific staff members who arrive early, need to travel and return during the day, or are here beyond the normal school day. ***Non-designated staff, subs, students, parents, and visitors, are not permitted to park in these spaces.***

Please report any issues to the secretaries in the main office.

Thank you for your cooperation,
Niki Cassaro

Campus Parking Guidelines

Important: Student parking on the JHS campus is a privilege!

This privilege may be suspended or revoked at any time by HM Jackson High School administration if a student fails to meet JHS campus expectations described in the Student Handbook and/or fails to follow these guidelines:

1. **Responsibility:** The student authorized by this form to drive must take responsibility for their vehicle being mechanically safe and operated in a safe/mature manner. All occupants must wear seatbelts.
2. **Registration / Permit Hangers:** The hanger identified on this registration form may only be used in the above vehicles (not in another student's vehicle). Loaning your parking hanger to another student may be grounds for revocation of parking privileges. The hanger must be positioned on the rearview mirror, clearly visible from the vehicle front. Dash, seats, or floor are not acceptable. A lost or stolen hanger may be replaced for \$40.00. You must register any new vehicle prior to parking it on campus.
3. **Withdrawn from JHS:** If you withdraw from JHS, you must turn in their parking pass to the ASB Secretary/Treasurer. Your pass cannot be transferred to another student.
4. **Liability:** If you choose to drive and park on the JHS campus, do so at your own risk. The Everett School District and JHS are not responsible for lost, damaged, or stolen property. Vehicles should be secured to protect the parking hanger and personal items.
5. **Closed Campus:** Student vehicles are to be parked upon arrival at school and removed following the student's last class. Students, other than those who depart for special off-campus education, must have an excuse from the Attendance Office or an Open Campus permit/sticker before they may leave campus during the academic day. **Parking lots are not open to students during school hours and cars are not to be used as lockers. Violation of this policy may result in the loss of your parking permit.**
6. **Parking Courtesy:** Your vehicle must be parked within designated (lines) spaces. Care must be taken to avoid blocking adjacent parking spaces and/or fire and traffic lanes. Use of Handicapped parking spaces requires a valid Washington State Handicapped parking hanger.
7. **Student parking is prohibited in the following areas:** Staff and Visitor spaces, service areas, fire lanes, bus zones, and other unmarked areas. Your car will be ticketed and towed. Your parking hanger is color coded for the parking lot you are allowed to use. You will receive a violation ticket (\$50) if you are in the wrong lot.
8. **Penalties:** Failure to observe the above conditions may result in one or more of the following:
 - a) 1st ticket \$50.00 b) 2nd ticket \$50.00 and a call to parent/guardian
 - c) 3rd violation/ticket may result in towing the vehicle off campus at student's expense
9. **Attendance:** If a student has five unexcused absences, his or her parking permit will be pulled for two weeks. After eight unexcused absences, the student will lose his or her parking permit for the rest of the school year. Chronic tardiness may also result in the loss of the parking permit. Refunds will not be given for parking permits lost due to attendance issues.

COPY OF CURRENT DRIVER'S LICENSE AND INSURANCE MUST BE ATTACHED.
